Instructional Leadership Efforts and Evidence-Based Practices to Improve Writing Instruction VanSlander, Jennifer, 2023-10-11 Writing is a critical skill for academic and professional success yet it is often neglected in schools According to achievement data only a quarter of students in the United States are proficient writers indicating a significant need for improvement in writing instruction One contributing factor to this problem is the lack of school and district leadership in writing instruction School improvement efforts are often concentrated on reading and math leaving writing instruction overlooked Additionally issues related to writer identities self efficacy in writing and educator training can also impact the effectiveness of instructional leadership in this critical subject Instructional Leadership Efforts and Evidence Based Practices to Improve Writing Instruction edited by Jennifer VanSlander of Columbus State University provides within this peer reviewed book an exploration of evidence based practices aimed at developing instructional leaders and enhancing student achievement in writing It covers a broad range of topics related to writing instruction including learning theories conceptual models and the latest empirical research associated with the supervision organization implementation and monitoring of writing programs and instructional approaches With its emphasis on writer identities self efficacy equitable and inclusive practices curriculum planning and implementation assessment instructional frameworks and managing instructional change this book provides educators with a comprehensive guide to improving writing instruction It is an essential resource for educators who seek to increase the effectiveness of instructional leadership and writing instruction at the classroom school or district level

EdPsych Modules Cheryl Cisero Durwin, Marla Reese-Weber, 2016-12-01 Now with SAGE Publications Cheryl Cisero Durwin and Marla Reese Weber s EdPsych Modules uses an innovative implementation of case studies and a modular format to address the challenge of effectively connecting theory and research to practice Each module is a succinct stand alone topic that represents every subject found in traditional chapter texts and can be used in any order for maximum flexibility in organizing your course Each of the book s eight units of modules begins with a set of four case studies early childhood elementary middle school and secondary and ends with Assess and Reflect and Evaluate questions and activities to encourage comprehension and

application of the research and theories presented The case approach and the extensive pedagogy that support it allows students to constantly see the applications of the theories and research that they are studying in the text Advancing Formative Assessment in Every Classroom Connie M. Moss, Susan M. Brookhart, 2019-05-13 Formative assessment is one of the best ways to increase student learning and enhance teacher quality But effective formative assessment is not part of most classrooms largely because teachers misunderstand what it is and don't have the necessary skills to implement it In the updated 2nd edition of this practical guide for school leaders authors Connie M Moss and Susan M Brookhart define formative assessment as an active continual process in which teachers and students work together every day every minute to gather evidence of learning always keeping in mind three guiding questions Where am I going Where am I now What strategy or strategies can help me get to where I need to go Chapters focus on the six interrelated elements of formative assessment 1 shared learning targets and criteria for success 2 feedback that feeds learning forward 3 student self assessment and peer assessment 4 student goal setting 5 strategic teacher questioning and 6 student engagement in asking effective questions Using specific examples based on their extensive work with teachers the authors provide Strategic talking points and conversation starters to address common misconceptions about formative assessment Practical classroom strategies to share with teachers that cultivate students as self regulated assessment capable learners Ways to model the elements of formative assessment in conversations with teachers about their professional learning What if scenarios and advice for how to deal with them and Questions for reflection to gauge understanding and progress As Moss and Brookhart emphasize the goal is not to do formative assessment but to embrace a major cultural change that moves away from teacher led instruction to a partnership of intentional inquiry between student and teacher with better teaching and learning as the outcome
