Building a Validity Argument for the Test of English as a Foreign Language™ Carol A. Chapelle, Mary K. Enright, Joan M. Jamieson, 2011-04-06 The Test of English as a Foreign Language TM TOEFL is used by more universities worldwide than any other test to assess English language proficiency for academic admission and placement decisions and to guide English language instruction This landmark volume provides a detailed description and analysis of Educational Testing Service s research and development efforts to develop a major revision of the TOEFL test The result is a book that serves as a case study of test design drawing upon theory in the complex domain of English language proficiency while attempting to meet standards of educational measurement Building a Validity Argument for the Test of English as a Foreign Language™ is distinctive in its attempt to develop a coherent story of the rationale for a test or its revision explain the research and development process and provide the results of the validation process Through its treatment of one test it expands on and tests principles and approaches to educational measurement providing an in depth integrated perspective on the overall process of test revision Moreover because the conceptual foundation and history are presented alongside the empirical studies and validity argument these sometimes disparate areas are presented in a way that demonstrates their connections an approach which represents a departure from or extension of conventional materials on test revision This volume is particularly relevant for professionals and graduate students in educational measurement applied linguistics and second language acquisition as well as anyone interested in assessment issues

Rethinking Rubrics in Writing Assessment Maja Wilson, 2006 The conventional wisdom in English education is that rubrics are the best and easiest tools for assessment But sometimes it s better to be unconventional In Rethinking Rubrics in Writing Assessment Maja Wilson offers a new perspective on rubrics and argues for a better more responsive way to think about assessing writers progress Though you may sense a disconnect between student centered teaching and rubric based assessment you may still use rubrics for convenience or for want of better alternatives Rethinking Rubrics in Writing Assessment gives you the impetus to make a change demonstrating how rubrics can hurt kids and replace professional decision making with an inauthentic pigeonholing that stamps standardization onto a notably nonstandard process With an emphasis on thoughtful

planning and teaching Wilson shows you how to reconsider writing assessment so that it aligns more closely with high quality instruction and avoids the potentially damaging effects of rubrics Stop listening to the conventional wisdom and turn instead to a compelling new voice to find out why rubrics are often replaceable Open Rethinking Rubrics in Writing Assessment and let Maja Wilson start you down the path to more sensitive authentic style of writing assessment
