Rules For Writing A Book:

Three Rules for Writing a Novel William Noble,2011-05-01 In this one volume are personal selections by the author from his three classics Steal this Plot Make That Scene and Shut up He Explained Selecting parts of three of his previous books to guide you though the art of writing a novel William Noble starts by asking three questions What s happening Who am I Where am I and then uses the answers to create a solid foundation for developing a story With this structure in place he demonstrates how to move on to motivating the story establishing a sense of place and creating tension Noble has added new material on developing characters and using point of view to help you get your story across The what section dealing with plot motivators and story spicers and comprising a third of the book is worth the price alone From an Amazon com review

Writing Without Rules Jeffrey Somers,2018-06-22 Stop What You re Doing and Write Yes You Write Most writing guides imply or outright state that there s a fixed specific formula or list of rules you must follow to achieve writing and publishing success And all of them are phonies Well not completely There are real applicable techniques and strategies in any writing reference to help you But the idea that there s only one way of writing Nuts With unconventional approaches to the craft fresh angles on novel writing and selling a healthy dose of humor and no promise of refunds Writing Without Rules is for those writers who have tried and tried again and are ready to success on their own terms In these pages accomplished author Jeff Somers will show you The key to a successful writing career is doing the actual writing no matter the circumstances Fantastic ideas are available everywhere you just need to know how to tap into sources through a variety of approaches Important craft aspects that you should focus on such as characters and dialogue while spending less time on others like setting Effective ways to get published whether it s traditional or self publishing and how to supplement your income Whether you re a plotter a pantsers or somewhere in between Writing Without Rules is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel and building a career As Somers will show you it s less about being perfect in everything and more about having the confidence to complete everything
