

Running Start Book Assistance Request Form

Running Start students who are eligible for the Fee Waiver and Book Assistance program may submit a request for assistance to cover the cost of required course textbooks or access codes for a maximum amount of \$75 per quarter for the duration of the student's participation in Running Start at Highline College. Students are responsible for paying any remaining textbook costs. The book assistance program does not cover costs for optional textbooks, textbooks for classes below 100-level, or course supplies.

Complete the following steps to submit your book assistance request:

1. Complete this form with the appropriate information for the required textbook(s) you are requesting.
2. Attach a printed copy of your Highline class schedule and submit this form to the Running Start department. Allow up to 24 hours for your request to be processed. Book accounts are active two weeks before the quarter begins and close two weeks after the quarter begins. You will not be reimbursed if you purchase your textbooks outside of this timeframe or before your book assistance request form is approved.
3. When your book account is open, purchase your textbook(s) at the Highline Bookstore; inform the cashier that you have a Running Start book account and provide your Highline College Student ID card. At the end of the quarter, we recommend that you keep any textbooks you may need for classes in future quarters (ex. courses such as math, accounting, and language classes may use the same textbook as you progress through the sequence). We will not be able to assist with purchasing the same textbook again.

List required textbooks for classes you are registered for (do not list waitlisted classes; submit additional requests if needed). If available, used books must be selected first. Optional books, rental books, books for below 100-level courses, and course supplies and materials are not eligible. You are responsible for paying for required textbook costs exceeding \$75.
