Mentors Russell Brand, 2019-04-09 Russell Brand explores the idea of mentoring and shares what he's learned from the guidance of his own helpers, heroes and mentors. Could happiness lie in helping others and being open to accepting help yourself? *Mentors* follows up to the New York Times bestseller *Recovery*, describes the benefits of seeking and offering help. I have mentors in every area of my life: as a comic, a dad, a recovering drug addict, a spiritual being, and as a man who believes that we as individuals and the great globe itself are works in progress and that through a chain of mentorship we can improve individually and globally together. One of the unexpected advantages my drug addiction granted is that the process of recovery that I practise includes a mentorship tradition. I will encourage you to find mentors of your own and explain how you may better use the ones you already have. Furthermore, I will tell you about my experiences mentoring others and how invaluable that has been on my ongoing journey to self-acceptance and how it has helped me to transform from a bewildered and volatile vagabond to a mostly present and usually focussed husband and father. Russell Brand *Mentors: How to Help and Be Helped* describes the impact that a series of significant people have had on the author from the wayward youths he tried to emulate growing up in Essex through the first ex-junkie sage to the people he turns to today to help him be a better father. It explores how we all consciously and unconsciously choose guides, mentors and heroes throughout our lives and examines the new perspectives they can bring.

Recovery Russell Brand, 2017-09-21 The bestselling guide to overcoming addiction from comedian Russell Brand.

Revolution Russell Brand, 2014-10-14 NATIONAL BESTSELLER We all know the system isn't working. Our governments are corrupt and the opposing parties pointlessly similar. Our culture is filled with vacuity and pap and we are told there's nothing we can do. It's just the way things are. In this book Russell Brand hilariously lacerates the straw men and paper tigers of our conformist times and presents, with the help of experts as diverse as Thomas Piketty and George Orwell, a vision for a fairer, sexier society that's fun and inclusive. You have been lied to: told there's no alternative, no choice and that you don't deserve any better. Brand destroys this illusory facade as amusingly and deftly as he annihilates Morning Joe anchors, Fox News fascists and BBC stalwarts. This book makes revolution not only possible but inevitable and fun.
