called Beasts of England When he dies conditions on the farm continue to deteriorate to the point where the animals decide to rise up They chase the humans off the farm and rename it Animal Farm Two pigs named Snowball and Napoleon take control and immediately adopt a set of seven commandments they call Animalism The farm runs smoothly until bit by bit these commandments are broken by the pigs Through propaganda the pigs continue to keep control over the farm even when the other animals start to question their actions The story continues down a rabbit hole that inevitably shows the pigs are no different than the humans Heath Social Studies: The world today ,1987 **America Pathways to the Present** ,1995
