**26 Proposal Specific writing tips**

Proposal Writing is a daunting task we have to follow strict guidelines and a process we aren't familiar with. On top of that we need to present our project in the best possible light all within a very tight deadline. Doing everything and doing it perfectly is possible but it requires time to read to understand to plan and to write. Time unfortunately is the resource we lack the most and we might not be able to build the necessary expertise via practice. This is where I come in. I put my time in this book so you don't have to waste yours. This book is a collection of the best tools, tricks and techniques developed in 7 years of grant writing. Every single tool or concept has been field tested and refined via trial and error.

Writing Proposals is divided in three sections. SECTION 1 is an A to Z guide on how to write a proposal. It provides a workflow, a sample proposal structure and a downloadable proposal template and budget sheet. Each one of its chapters provides a detailed explanation of the different building blocks: First Steps of Proposal Writing, Outline of the Technical Proposal, Introduction, Context and Proposal Structure, Methodology, Organisation and Staffing, Budget Review and Finalization. SECTION 2 focuses on Writing Techniques for Proposals meaning what you can do to write your text better, faster and to make it more effective. Here we go over 7 fundamental tools for better writing. SECTION 3 lastly is a collection of 26 Proposal Specific Writing Tips that is a series of adjustments you can use in your text right away that make your document more readable and easier to follow. At the end of the book you will find the proposal structure for quick reference and a methodology to calculate your personnel's hourly rate.
