[Markston, Caleb]

[Board of Trustees Chairman]

[Ground Floor, Northmidwest Christian Church, Inc.]

[Oklahoma City, Oklahoma, 74009]

Dear [Mr. Caleb],

This letter is in response to your advertisement on [GetJobs.com] dated [January 31, 2050] regarding the open Church Pastor position. I believe that my credentials and qualifications match with the specifications indicated in your job description. From that, I believe I am an excellent candidate to occupy that position.

With a bachelor's degree in Christian Education, I have equipped myself by understanding the Bible and my Christian faith. With regard to handling a ministry, I have [four] years of hands-on experience in managing a church and its congregation and addressing their spiritual needs. Aside from equipping myself, one of my goals was to also encourage people to have a stronger relationship with Christ through Bible study and fellowship activities. I am an optimistic, flexible, and well-rounded individual, and I believe those key strengths can help me to perform better in this position.

It would be a privilege to do God's work with your reputable church. Attached herewith is my resume that highlights my previous work experiences, educational background, and accomplishments. Feel free to contact me at your most convenient time using the phone number and email address below. I will be looking forward to any response from you. Thank you for your time.

Respectfully,

[Thomas N. Condero]

Braxton, 2010-08-01 Helpful and insightful strategies for preaching from the writings of Paul Few biblical figures are more compelling to preachers than the apostle Paul The story of his dramatic conversion on the road to Damascus is a favorite example of the way that God turns lives around His writings contain the earliest witness we have to the Christian gospel His message of God's offer of grace in the life death and resurrection of Jesus Christ is deeply appealing So why is it that when it comes time to choose a text for this Sunday's sermon preachers so often choose something other than Paul When Brad

Braxton asked himself that question he realized that preachers are often daunted by the size and complexity of the Pauline corpus Drawing on his expertise as a New Testament scholar and homiletics professor as well as on his experience as a pastor Braxton offers the reader tools with which to wrestle more effectively with the complex yet essential message of Paul Eschewing either a solely historical approach or a completely spiritual one the author brings the two together to explore the meaning of Paul s message in its original context as well as its contemporary application Written with imagination and depth of understanding this book is for anyone who wishes to know Paul better and to preach from his letters more effectively
