Montanaro,2025-05-06 The Jewish sage Ben Sira links the partnership of the sage with personified Wisdom to his overall  
teaching on marriage and family This study provides a detailed analysis of this connection first by describing the overlapping  
characteristics of fathers in families and sages among their students as seen through an examination of Ben Sira s use of  
metaphorical family language whereby the sage takes the role of father in the pedagogical setting This study then describes  
the spousal relationship between the sage and personified Wisdom particularly as it appears alongside the marital  
instructions in Sir 23 16 26 18 This study further considers Ben Sira s privileged social position to influence the religious  
conviction of next generation Judaism and to strengthen Jewish youth against rising Hellenistic pressures that may tempt  
them away from Torah adherence Ben Sira s solution then is found in his proposed vision of families modeled after his  
pedagogical setting Finally Ben Sira s teaching is compared to other Second Temple texts showing the importance of his  
context for his conception of family and the needs of his time Thus this study shows the relevance of Ben Sira s teaching for  
families as well as his distinctiveness among other Jewish texts      **Performance Excellence** Michael L. Sachs,Lauren S.
