Sponsorship Evaluation of Soccer Teams Kaio Guilherme Cuoghi, 2017 Brazil is developing in sport management what gets Brazilian soccer teams to take less advantage over the several means of raising income that exist among which there is sport sponsorship In this sense given its importance and considering the gap of studies using new methods for sponsorship evaluation in Brazil as well as the importance of A 1 series of S o Paulo State League Campeonato Paulista de Futebol in Portuguese which has not been studied yet this paper presents the brands that sponsored the 20 clubs that participated in the aforementioned championship in 2012 We separated the sponsors of the clubs into technical and commercial pointing out the television media exposure time of each brand to demonstrate strategies that contribute to sport sponsorship and to the soccer teams The research conducted was exploratory with consultation to primary and secondary data Therefore the theoretical background used was about sport sponsorship and the Brazilian context and sponsorship evaluation The results pointed out to a configuration in which major international companies sponsored preferably major clubs obtaining wide exposure on television media On the other hand smaller companies located near the clubs headquarters sponsored clubs that participated with lower frequency in the championship obtaining lower exposure on television media Finally the study provided the perception of the benefits that certain sponsorship strategies to smaller clubs may generate by allowing wider television media exposure when the clubs are sponsored concurrently

Determinants of Corporate Sponsorship Award Opportunities for Soccer Premier League Clubs in Kenya Anadnje Mwisukha, Elijah Rintaugu, Thomas Mboya Kisaka, 2022-12-28 Sponsorship of soccer clubs by corporate organizations is a common phenomenon worldwide Sponsors have been giving assistance such as branded shirts money kits and stadia Before awarding sponsorship corporate organizations base their decisions on certain criteria The sponsorship selection criteria have been documented in various studies yet no such study had been done on the Kenya soccer premier league This therefore was the main focus of this study whose objectives were four fold 1 To determine the influence of team centered factors on corporate organizations decisions to sponsor Kenya Premier League clubs 2 To appraise the influence of country based characteristics on corporate organizations willingness to offer sponsorship to Kenya Premier League clubs 3 To establish whether decisions made by

corporate organizations to avail sports sponsorships to Kenya Premier League clubs were influenced by environmentally centered factors 4 To determine whether team centered country based and environmentally centered characteristics differed significantly in the extent to which they influenced decisions made by corporate organizations to sponsor KPL clubs Data was collected using self administered questionnaires and interviews from purposively selected corporate sponsors and clubs Furthermore the descriptive survey design was found suitable because it is concerned with finding out who what which and how of a phenomenon Analysis of data entailed the use of descriptive statistics with regression being used to test the hypotheses Results revealed that team based country based and environmentally centered characteristics had a positive and significant relationship with decisions made by corporate organizations to sponsor Kenya Premier League clubs in addition team based characteristics had the strongest influence on willingness by corporate organizations to award sponsorship to Kenya Premier League clubs followed by country based factors then environmentally based factors
