

Letter of Recommendation for Athlete from Coach

Dear {Admission Committee},

I am writing this letter to highly recommend {Student's Name} for admission to {University}. I have been {Student's Name} soccer coach for {number of years} at {school's name}. During that time, I have seen him grown into an outstanding athlete, disciplined students, and a person of great character who is confident and thrive for excellence.

{Student's Name} joined my team {team name} and he has been an integral player of our team since then throughout his high school. He is a very disciplined individual, great work ethics, exceptional skills, and most importantly a great team player. I have always seen him working hard, encouraging others, and strive for excellence both on and off the field.

I believe that {Student's Name} would be an outstanding addition to the {university}. He is a talented young man with incredible footwork and a great drive to succeed. I am sure he will continue to do great both academically and athletically, and I am confident that he will make a significant contribution to {University} and beyond.

If you need any other information, please feel free to contact me any time at {phone/email}.

Regards,

{Your Name}

How College Athletics Are Hurting Girls' Sports Rick Eckstein,2023-02-08 More girls are playing sports than ever before which on the surface is great for girls because sports offer positive and empowering fun for young women In reality though few young athletes report fun as a reason they play sports The rates of concussions and repetitive use injuries are on the rise and kids are encouraged to specialize in a single sport at earlier and earlier ages even at the expense of friends other activities and health Through years of extensive research Rick Eckstein discovered that college athletics have had an alarming impact on this trend in youth sports particularly for girls How College Athletics Are Hurting Girls Sports looks closely at college sports and how they shape the athletic and personal landscape for girls and young women Filled with powerful interview excerpts from women athletes of all ages as well as coaches league officials and others the book chronicles how college and youth sports have become more commercialized to the detriment of participants The book looks at a range of sports with case studies including soccer field hockey ice hockey figure skating and Ultimate Frisbee Featuring a new preface to bring this evergreen topic up to the present How College Athletics Are Hurting Girls Sports is an important and timely reminder that even as we celebrate sports potential to have a positive impact on a girl's life changes need to be made in college and youth athletics to improve the experiences of young athletes so that sports become fun once again

Sports Science in India Martin Toms,Meenu Dhingra,Pralay Majumdar,2024-05-30 Sports Science in India Practice and Perspective brings together key Indian academics and experts in the field of sports science in its broadest sense to produce summaries of the existing international research in fundamental topics of sport science with a focus on India in such a way that it can be used by students researchers and practitioners to help develop these areas in both an applied and a theoretical level Sports Science in India Practice and Perspective reflects the increase in sport science research that is being undertaken and published in India While not intended to be sport specific this new book contains particular cases of how sports science is applied in some sporting contexts in the Indian region in that way it is meant to be a seminal foundation book for those
