Dixon, Thomasina Lott Adams, 2014-10-09 Focus your curriculum to heighten student achievement Learn 10 high leverage team actions for grades K 5 mathematics instruction and assessment Discover the actions your team should take before a unit of instruction begins as well as the actions and formative assessments that should occur during instruction Examine how to most effectively reflect on assessment results and prepare for the next unit of instruction **ASVAB Recruiter's Guide**, 1986 **What Every School Leader Needs to Know About RTI** Margaret Searle, 2010-06-18 What is Response to Intervention and why should we care With this question Margaret Searle begins her exploration of the RTI approach to classroom instruction and intervention from her perspective as a seasoned teacher principal and administrator Built on a solid foundation of best practice RTI draws on the strengths and successes that many districts and schools already have in place For the plan to be effective however proactive and consistent leadership is essential With this in mind Searle outlines the critical roles played by school leaders at each step and offers practical answers to the questions they will likely face Where should I start implementing or improving our RTI plan Where do I find high quality research based interventions What's a pyramid of interventions and what do I put in the tiers How can I help teachers set and reach student goals How is RTI different from

what we've tried before. How can we make this whole thing work without going crazy? Searle shows how school leaders can use the RTI model to coordinate resources and foster continuous student improvement and achievement. This breakthrough approach replaces the old wait to fail mind set with proactive efforts that will support all students in danger of not reaching their potential. This is an essential guide for school leaders who want to support focus and sustain their RTI goals and build a culture of data driven decision making.

I Do We Do You Do Math Problem Solving Grades 1-5 Perfect Sherri Dobbs Santos, 2011-07-18. I DO WE DO YOU DO: An RTI Intervention for Math Problem Solving Grades 1-5 is a ready made intervention based on best practices and current research for students struggling with the underlying thought processes and step by step procedures of math problem solving. Each section includes a Universal Screening data point assessments and intervention cards which can be copied and used with individual students or small groups of students. The I DO WE DO YOU DO intervention takes the guess work out of how to intervene with students at risk of failure and provides teachers with the tools necessary to meet their individual needs. A total of 36 problem solving cards are included for each grade 1-5 and follow three simple steps: 1 Teacher models, 2 Teacher student work collaboratively and 3 Student completes independently. Detailed directions, progress monitoring graphs and a scoring rubric are included making the analysis of data easy to record and understand. Also available in spiral bound at lulu.com.
