Migration to the Americas

You Are There

Though the cold air bites into your face and hands, you barely notice it. You are on your first big hunt. You're following a giant woolly mammoth—an elephant-like creature standing nine feet tall. Long tusks thrust forward from its face.

Silently, you and the other hunters creep up on the giant animal. Suddenly, you all stand up and hurl your spears. Sharp stone points pierce the mammoth. It staggers and you all rush toward it, jabbing it with your spears. Down goes the mammoth, soon to die.

You and your group will carve many pounds of meat from the slain animal, which will feed your people for weeks. Your first hunt has been a success.

Summarize As you read, look for details that summarize the ways of life of the first people to settle in the Americas.
