

7th Grade Social Studies DBQ Guidelines

1. Your essay must include the following:

a. Introductory paragraph

- i. **Hook** (catch the reader's attention) - Keep this statement broad.
- ii. **Line** (historical context) - Use the context provided to you by the essay question. This statement should be more narrow than your hook.
- iii. **Sinker** (thesis statement—state what the essay is about, what your position in the essay will be, or what you will prove.) This statement should be the most specific of your introductory paragraph. This is not an opinion, so do not use the word "I."

- You introduction does not need to be only 3 sentences. You may need multiple sentences for each part, but be careful not to answer the question in this introductory paragraph.

*Think of your introduction as a reverse triangle, moving from a broad statement to a specific statement.

*Body paragraphs provide the reader with answer to the essay. This is the meat of your essay. Each body paragraph will address a different part of the essay. For example, if the question asks you to give advantages and disadvantages of a historic event, one body paragraph will address the advantages and the second will address the disadvantages.

b. Body paragraph 1

- i. must have a solid topic sentence - Every piece of information in this body paragraph should be related to the topic sentence.
- ii. must include outside information
- iii. must include inside information (documents)

c. Body paragraph 2

- i. must have a solid topic sentence
- ii. must include outside information
