Ocha Teacher A Memoir:

Ocha Teacher Keiko Amano, 2015-01-25 Keiko's mother was an Ocha chanoyu or chado teacher who forced Keiko to practice the traditional art. Keiko rebelled against it and many old Japanese customs. The story revolves around this mother-daughter conflict starting in 1957 in Yokohama, Japan. In the 1960s, Mother continued to discourage Keiko's desires. The Beatles were coming to Japan in the summer of 1966, and Keiko desperately wanted to go to their concert in Tokyo. She knew it was an opportunity of a lifetime to see the legendary band. Mother, of course, did not want her to go. Mother also didn't want Keiko to travel to the US to attend college. Keiko's actions all seemed to defy Mother's traditional Japanese values. Keiko never understood why her Mother was always so fanatic about Ocha. She also never knew why Mother didn't discuss the death of her mother, Toyo, a Cinderella member of the ordinary citizen class married into the upper class who died under mysterious circumstances. Keiko set out to explore the family taboos and find the answers. The more facts she uncovered, the more she understood her mother and grandmother and ultimately herself.

The Teacher Boy Sylvester Uzoigwe Okereke, 2024-08-08 In this book, Chief Sylvester Okereke uses the story of his life growing up in Eastern Nigeria to provide a first-hand account of several intriguing Igbo cultural practices such as the horse acquisition, chieftaincy title, the manhood rites, the women fattening, circumcision, marriage rites, and more. In a highly accessible manner, he recounts how his father encouraged him against challenges to pursue education at a time when it was little valued among the people of eastern Nigeria. As historical background, the author discusses the Anglo-Aro war of 1901-02, the conquering of eastern Nigeria by British colonialists in the early 1900s, the concept of warrant paramount chiefs introduced by Britain as an indirect rule measure in southern Nigeria, and the British shaping of rural communities in eastern Nigeria. He tells of his life in detail: his travail in boarding homes in distant communities where he was sent for studies, the influence of cultural practices on his decision to go to school, and how he conquered these challenges. The book also covers his sojourn into politics as a young man of 21 and discusses the political structure at the time: county councils, native courts, district councils, and more.

Literary Memoirs José Victorino Lastarria, 2000-02-10 Novelist, scholar, journalist, statesman, and leading member of Chile's Generation of 1842, an intellectual movement so named for the founding of the National University, José Victorino Lastarria (1811-1888) lived his life at the forefront of nineteenth-century Chilean and Spanish American culture, literature, and politics. *Recuerdos Literarios* or *Literary Memoirs* is his masterpiece encompassing the candid memories of a tireless activist, both the creative and critical sensibilities of an influential Latin American early modernist, and an eyewitness account of the development of Chilean literature and historiography. An ardent, eloquent participant in every defining artistic and ideological debate in Chile during the formative mid-1800s, Lastarria recorded his epoch as closely as he did his own origins, education, ambitions, and career. Sometimes reminiscent of Montaigne's essays, E. A. de Quiróz's journalism, or Barbuse's didactic convictions, *Literary Memoirs* is an engrossing account of Chile's newly ordained nationhood. This addition to Oxford's prestigious Library of Latin

America series is more than a retelling of things past it is an informed yet informal testament to the idea of chilenidad or Chileanness and a detailed portrait of one of Chile's cultural architects For this new edition of Literary Memoirs Frederick M Nunn's introduction presents an informative historical background and R Kelly Washbourne's translation carefully preserves Lastarria's form and content Aid Memoir Larry Hollingworth,2021-04-06 Larry Hollingworth current visiting Professor of Humanitarian Studies at Fordham University in New York City served as head of the UNHCR's efforts in Bosnia throughout the lengthy conflict that plagued the former Yugoslavia in the early to mid 90s Aid Memoir follows Larry and his UN colleagues throughout multiple efforts to provide much needed relief for besieged isolated and desperate communities riddled by senseless killing and aggression The characters encountered throughout are at times thrilling at times frightening Larry spares no details however troubling and therefore shines a telling light on the reality of the situation that most will remember to have watched on their television screens **Reminiscences** Ben Ofungwu Sr.,2023-05-01 Reminiscences chronicles life in colonial and early postcolonial Nigeria delving into the trauma and vicissitudes of a young man It is a story that emphasises the need for quality education and training preparatory for adult life and the emergence of a mature mind willing to take on family responsibilities bequeathed to him There is the usual executive warfare that is quite common in most local and international organisations and the triumph thereof The story of ISN Products Nigeria Ltd is one of hope and tenacity in building a new organisation ISN is today a market leader in the medical diagnostic products marketing and distribution and has now passed to the next generation There is a lesson on the spiritual aspect of business We must accept that we just cannot achieve success doing it alone all by ourselves We always need help from above and should continuously ask for it Memoirs of the Archaeological Survey of India ,1919 SATA Autobiography Series Joyce Nakamura,1992-11-26 A collection of autobiographical essays written by prominent authors and illustrators of books for children and young adults **Invisibility and Influence** Regina Marie Mills,2024-06-04 A rich literary study of AfroLatinx life writing this book traces how AfroLatinxs have challenged their erasure in the United States and Latin America over the last century Invisibility and Influence demonstrates how a century of AfroLatinx writers in the United States shaped life writing including memoir collective autobiography and other formats through depictions of a wide range of Afro Latinidades Using a woman of color feminist approach Regina Marie Mills examines the work of writers and creators often excluded from Latinx literary criticism She explores the tensions writers experienced in being viewed by others as only either Latinx or Black rather than as part of their own distinctive communities Beginning with Arturo Arthur Schomburg who contributed to wider conversations about autobiographical technique Invisibility and Influence examines a breadth of writers including Jes's Col'n members of the Young Lords Piri Thomas Lukumi santera and scholar Marta Moreno Vega and Black Mexican American poet Ariana Brown Mills traces how these writers confront the distorted visions of AfroLatinxs in the United States Latin America and the Caribbean and how they created and expressed AfroLatinx spirituality politics and self identity often

Mandle,2000 Annotation When Joan Mandle accepted the position of Director of Women s Studies at Colgate University she had specific goals in mind to make the program stronger more academically rigorous and publicly open The program would resist becoming the captive of identity politics and would refuse to allow itself to become marginalized on the campus It would reach beyond the negative stereotypes of feminism on campus by appealing to and challenging all students and faculty interested in gender issues and social change Just as Mandle anticipated she faced obstacles during the transformation Among her critics were feminist students and faculty whose views of a successful program directly contradicted Mandle s

While the new director called for outreach they insisted on isolation While she set forth a policy of inclusiveness they sought to maintain an exclusive community These individuals preferred the former model of the women s studies program despite its tendency toward separatism Can We Wear Our Pearls and Still Be Feminists explores women s studies from Mandle s perspective as a program director feminist activist and scholar She offers a vivid account of being forced to grapple with fundamental issues of what women s studies is and should be Her strong commitment to feminism and women s studies does not prevent her from voicing her concerns instead it compells her to share the story of her directorship in hopes of shedding light on the strengths and weaknesses pitfalls and triumphs of women s studies as an academic discipline Through her examination of the battles involved in creating an academically significant and ideologically open program Mandle provides insight into a possible avenue of change for feminism By showing how the program at Colgate University was able to encourage campuswide discussions on feminism Mandle demonstrates that women s studies can succeed as an inclusive and rigorous field This enlightening memoir provides readers with a window on important debates concerning feminism and women in academia
