TITLE OF PAPER 2
Construct a Deductively Valid Argument

Write: Identify the components and structure of your argument by presenting your deductively valid argument in standard form, and explain how your conclusion follows from your premises.

Premise one: Because some arts and humanities classes take place after school hours, these studies keep children out of trouble after school.

Premise two: The arts and humanities enhance the learning experience for children.

Premise three: Arts deepens a child's knowledge and understanding of other cultures and traditions.

Premise four: Participating in the arts and humanities can help children who may not be great at traditional studies but have a creative side.

Conclusion: Therefore, teaching children arts and humanities is necessary for a child's development.

I feel that all of my premises are true and valid and can be proven to be true. My audience can also deduct that my premises are true and thus valid.

Discuss Icon Guided Response: Read the arguments presented by your classmates, and analyze the reasoning that they have presented. In particular, if you believe that their argument is invalid, explain a way in which it would be possible for the
