United States. Congress

Post Office Paydays 2014:

Payday Lending in Canada in a Global Context Jerry Buckland,Chris Robinson,Brenda Spotton Visano,2018-03-29

This book analyzes the highly contentious payday lending industry presenting valuable new data collected during Canada's recent regulatory reviews and demonstrating its relevance to payday lending conversations taking place worldwide The authors treat the industry with a balanced hand by establishing its importance as an example of financialization and acknowledging the complex impact of payday lending services on low income and credit constrained clients Up to date data from an interdisciplinary mix of financial econometric legal behavioral economic and socioeconomic sources all in the context of an established Canadian industry provide both proponents and opponents of payday lending with valuable evidence for their discussions of how much regulation is required to minimize harmful consequences These insights from Canada expand a US centric conversation and provide a key resource for the growing list of countries in which the industry is present from the UK and Poland to South Africa and Australia

Plutocracy in America Ronald P. Formisano,2015-09-15 This data driven book offers insight into the fallacy of widespread opportunity the fate of the middle class and the mechanisms that perpetuate income disparity

Payday Lending Carl Packman,2014-09-16 Payday Lending looks at the growth of the high cost credit industry from the early payday lending industry in the early 1990s to its development in the US as a highly profitable industry around the world

Privatization, Vulnerability, and Social Responsibility Martha Albertson Fineman,Titti Mattsson,Ulrika Andersson,2016-11-25 Cover Title Copyright CONTENTS 1 Introduction PART I Analyzing privatization 2 Three faces of privatization 3 Big government against social responsibility A vulnerability critique of privatization's public priorities 4 Rethinking responsibility in private law 5 In the land of choice Privatized reality and contractual vulnerability PART II Privatization and corporatization 6 Entrepreneurial subjectivity the privatization of risk and the ethics of vulnerability

Increasing Economic Opportunity for African Americans United States. Congress. Joint Economic Committee,2014

The Sport and Prey of Capitalists Linda McQuaig,2019-08-31 Why are we selling off the impressive public enterprises we often battled as a nation to create In the early 1900s thousands of Canadians battled wealthy interests winning control of Niagara Falls and creating a public power company Another popular movement succeeded in creating Canada's public broadcasting system to counter American dominance of the airwaves And a Canadian doctor established a publicly owned laboratory that saved countless lives by producing affordable medications contributing to medical breakthroughs and helping to eradicate smallpox throughout the world But in recent decades we have allowed our inspiring public enterprises to be privatized and our vital public programs downsized leaving us increasingly dominated by the forces of private greed that rule the marketplace In *The Sport and Prey of Capitalists* Linda McQuaig challenges the dogma of privatization which has defined our political era She argues that now more than ever as we grapple with climate change and income inequality we need to expand not shrink our public sphere

Financial Capability and Asset

Building in Vulnerable Households Margaret Sherraden, Julie Birkenmaier, J. Michael Collins, 2018-03-28 Financial struggles of American families are headline news In communities across the nation families feel the pinch of stagnant and sometimes declining incomes Many have not recovered from the Great Recession when millions lost their homes and retirement savings They are bombarded daily with vexing financial decisions Which bills to pay Where to cash checks How to cover an emergency How to improve a credit report How to bank online How to save for the future Low and moderate income families have few places to turn for guidance on financial matters Not many can afford to pay a financial advisor to help navigate an increasingly complex financial world They do their best with advice from family and trusted individuals Social workers financial counselors and human services professionals can help As first responders they assist families and help in finding financial support from public and private sources But these professionals are too often unprepared to address the full range of financial troubles of ordinary working families Financial Capability and Asset Building in Vulnerable Households prepares social workers financial counselors and other human service professionals for financial practice with vulnerable families Building on more than 20 years of research the book sets the stage with key concepts historical antecedents and current financial challenges of families in America It provides knowledge and tools to assist families in pressing financial circumstances and offers a lifespan perspective of financial capability and environmental influences on financial behaviors and actions Furthermore the text details practice principles and skills for direct interventions as well as for designing financial services and policy innovations It is an essential resource for preparing the next generation of practitioners who can enable families to achieve economic security and development

Politics, Policy, and Public Options Ganesh Sitaraman, Anne Alstott, 2021-07-01 A public option is a government provided social good that exists alongside a similar privately provided good While the public option is typically identified with health care policy public options have been a longstanding feature of American life in a variety of sectors ranging from libraries to swimming pools Public schools for example coexist alongside private schools However there is surprisingly little research on public options as a general category Rather over the last few decades considerable scholarly and popular efforts to ensure access to important social goods have focused on market subsidies like vouchers or privatization which both face increasing criticism Uniting scholars from across disciplines this volume delves into the theory of the public option explores several important case studies and shows how public options could be a corrective to the trend toward privatization and subsidies This title is also available as Open Access on Cambridge Core

The Public Option Ganesh Sitaraman, Anne L. Alstott, 2019-07-01 A solution to inequalities wherever we look in health care secure retirement education is as close as the public library Or the post office community pool or local elementary school Public options reasonably priced government provided services that coexist with private options are all around us ready to increase opportunity expand freedom and reawaken civic engagement if we will only let them Whenever you go to your local public library send mail via the post office or visit Yosemite you are taking

advantage of a longstanding American tradition the public option Some of the most useful and beloved institutions in American life are public options yet they are seldom celebrated as such These government supported opportunities coexist peaceably alongside private options ensuring equal access and expanding opportunity for all Ganesh Sitaraman and Anne Alstott challenge decades of received wisdom about the proper role of government and consider the vast improvements that could come from the expansion of public options Far from illustrating the impossibility of effective government services as their critics claim public options hold the potential to transform American civic life offering a wealth of solutions to seemingly intractable problems from housing shortages to the escalating cost of health care Imagine a low cost high quality public option for child care Or an extension of the excellent Thrift Savings Plan for federal employees to all Americans Or every person having access to an account at the Federal Reserve Bank with no fees and no minimums From broadband internet to higher education The Public Option reveals smart new ways to meet pressing public needs while spurring healthy competition More effective than vouchers or tax credits public options could offer us all fairer choices and greater security

Why Canada Needs Postal Banking John Anderson,2023-12-08 In almost half the communities in small town and rural Canada that have a post office there are no bank or credit union branches Only about fifty four bank and credit union branches exist in the over 615 First Nations communities in Canada A growing number of urban areas in Canada have no accessible banks or credit unions Why Canada Needs Postal Banking offers a plethora of information about the banking industry that will shock ordinary Canadians In explaining the banking system that many of us take for granted the author reveals a deep and largely unrecognized gap between the services offered in densely populated urban spaces and those available in small towns rural and remote regions and Indigenous communities As a solution to this dearth in services John Anderson proposes a logical alternative to big private sector banks the post office Basing his argument on historical fact international experience and the exorbitant cost of traditional banking services the author builds a logical and compelling case for reestablishing banking services at Canada Post Composed of a collection of research papers interviews and opinion pieces Why Canada Needs Postal Banking provides convincing and well organized data to support the reintroduction of postal service banking in Canada Readers can absorb survey results that document citizen municipality and union support for this strategy Tables and graphics provide easy access for those who want to assess the statistical facts and figures at a glance Written in clear succinct and transparent language Why Canada Needs Postal Banking engages the reader while delivering surprising information In a landscape where challenges seem overwhelming much of the time this book proposes a solution that while not without its difficulties is implementable It delivers answers and alternatives that support business and individuals needs in different parts of the economy that have been for too long and too often overlooked **It's Not You, It's Capitalism** Malaika Jabali,2023-10-24 One of The Boston Globe s Best Books of 2023 I m sitting here in awe trying to wrap my head around how Malaika conjured something so vibrant and timely and fun and even flirty while also being

rigorous evergreen and fucking terrifying Damon Young This biting brilliant often hilarious guide to socialism by journalist Malaika Jabali debunks myths centers forgotten socialists of color who have shaped our world and shows socialism is not all Marx and Bernie Bros it's time for all of us to ditch capitalism and try something finer We've all dated someone who took control of the relationship you know someone who makes you feel like you're unhappy because you're just not putting in the work or it's all in your head But when you think about trying to meet new people it feels terrifying Like have you looked at Tinder recently It's rough out there Your tough love new best friend award winning journalist policy attorney and life long socialist Malaika Jabali is here to say we are all in a generations long toxic relationship with Capitalism and it is time to get the hell out of there and move ALONG She gives you everything you need to know about what a healthy relationship could actually look like issue by issue from healthcare and housing to the whole concept of American democracy with our new boo Socialism And no Socialism isn't the boring grey authoritarian Cold War era monster that you've heard about With accessible explanations and illustrations often surprising graphs and stats and some Drake memes this book will show you that we NEED to build a world that's safer kinder cleaner healthier and more equal And that this isn't a utopian dream it's within our grasp if we collectively decide to call out Capitalism for what it really is and wake up to a better future The New Possible Philip Clayton, Kelli M. Archie, Jonah Sachs, Evan Steiner, 2021-01-26 2020 upended every aspect of our lives But where is our world heading next Will pandemic protests economic instability and social distance lead to deeper inequalities more nationalism and further erosion of democracies around the world Or are we moving toward a global reawakening to the importance of community mutual support and the natural world In our lifetimes the future has never been so up for grabs The New Possible offers twenty eight unique visions of what can be if instead of choosing to go back to normal we choose to go forward to something far better Assembled from global leaders on six continents these essays are not simply speculation They are an inspiration and a roadmap for action With essays by Kim Stanley Robinson Michael Pollan Varshini Prakash Vandana Shiva Jack Kornfield Mamphela Ramphele Justin Rosenstein Jack Kornfield Helena Nordberg Hodge David Korten Tristan Harris Eileen Crist Francis Deng Riane Eisler Arturo Escobar Rebecca Kiddle Mike Joy Natalie Foster Jess Rimington Jeremy Lent Atossa Soltani Mark Anielski Ellen Brown John Restakis Zak Stein Oren Slozberg Anisa Nanavati and Fr Joshrom Isaac Kureethadam "Code of Massachusetts regulations, 2014" ,2014 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 *Congressional Record* United States. Congress, 1925 The Postal Bulletin ,1958 **Issues for Debate in American Public Policy** CQ Researcher, 2019-01-24 Written by award winning CQ Researcher journalists this annual collection of nonpartisan and thoroughly researched reports focuses on 16 hot button policy issues With reports ranging from racial profiling to prescription drug costs the Twentieth Edition of Issues for Debate in American Public Policy promotes in depth discussion facilitates further research and helps readers formulate their own positions on crucial policy issues And because it is CQ

Researcher the policy reports are expertly researched and written showing readers all sides of an issue Because this annual volume comes together just months before publication all selections are brand new and explore some of today s most significant American public policy issues including racial profiling populism and party politics student debt the gig economy the future of the coal industry prescription drug costs and much more

Ineffective Policies Ian Roberge, Heather McKeen-Edwards, Malcolm Campbell-Verduyn, 2025-04-29 Available open access digitally under CC BY NC ND licence Bad policies have repercussions that can be felt for decades But what makes a bad policy And how can it be reversed or improved Bringing together scholars from Europe and North America this book goes beyond traditional policy theory to study bad and ineffective policies across three fields the environment the financial services sector and emerging technologies Using cutting edge research and analysis the editors and authors state the case for studying ineffective policies demonstrate their harmful effects across policy fields and provide policy makers with the tools to reflect identify and act upon them

Icehenge Kim Stanley Robinson, 2014-01-07 A mysterious monument on Pluto s North Pole holds the key to a forgotten past in this haunting tale of memory and identity from SF master Kim Stanley Robinson Tor Essentials presents new editions of science fiction and fantasy titles of proven merit and lasting value each volume introduced by an appropriate literary figure Decades before his massively successful *The Ministry for the Future* 2020 Kim Stanley Robinson wrote one of SF s greatest meditations on extended human lifespan the limitations of human memory and the haunted confabulations that go with forgetting On the North Pole of Pluto there stands an enigma a huge circle of standing blocks of ice built on the pattern of Earth s Stonehenge but ten times the size standing alone at the edge of the Solar System What is it Who could have built it The secret lies in the chaotic decades of the Martian Revolution in the lost memories of those who have lived for centuries This new Tor Essentials edition of *Icehenge* includes a new introduction by Henry Farrell co author of *Underground Empire* How America Weaponized the World Economy At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Introducing Intersectionality Mary Romero, 2024-12-03 How can we hope to understand social inequality without considering race class and gender in tandem How do they interact with other categories such as sexuality citizenship and ableism How does an inclusive analysis of domination and privilege move us closer to solutions touching the lives of diverse populations In this updated edition of her popular introduction Mary Romero presents intersectionality as a core facet of the sociological imagination One dimensional approaches are no longer acceptable we must examine all systems of oppression simultaneously and how they integrate and work with or against each other to shape life experiences Recognizing the dynamics of patriarchy capitalism and white supremacy Romero shows how social inequality is maintained or minimized in various social settings and interactions The new edition is updated with the latest literature and theoretical insights as well as addressing contemporary political issues and conservative backlash from immigrant detention and abortion

restrictions to attacks on Critical Race Theory Offering an overview of scholarly and activist tradition in the development of intersectionality as a lens to enrich our understandings of social life this introductory text will be an invaluable and welcome resource for all students of sociology

Administering the California Special Needs Trust Kevin Urbatsch, Michele Fuller, 2016-10-21 Administering a special needs trust SNT is a very important job which often has a profound impact on the life of persons with disabilities In most cases the SNT trustee is providing the beneficiary goods and services that improve their quality of life In some cases the SNT trustee may be the only person looking to the beneficiary's welfare Thus the role of SNT trustee is often a more substantial role than in many other types of trusteeships The great SNT trustee is a solid financial manager accountant record keeper legal counselor public benefits advisor social worker housing coordinator civil rights advocate guardian and life coach This is why author Kevin Urbatsch published his book titled *Administering the California Special Needs Trust* It has been five years since the book was published The reception for it far exceeded expectations There have been excellent reviews of how it has helped SNT trustees beneficiaries their families and professionals who advise persons with disabilities After reviewing the book the Federal Financial Institutions Examination Council FFIEC flew Kevin to Washington D C to present to federal government bank auditors on what to look for when auditing corporate trustees when banks administer special needs trusts Other than the numbers that change each year like SSI or SSDI the balance of the book was current and up to date However there were some subjects that were missing in the book plus a couple of big changes that occurred since publication including the passage of the Affordable Care Act and the ABLE Achieving a Better Life Experience Act that provide excellent new tools for the SNT trustee Kevin recruited several of his professional colleagues to assist in preparing this Second Edition of the book including Michele Fuller Robert Nuddleman Herb Thomas Courtney Kosnik Scott MacDonald and Daniel Cutter With their assistance Kevin added the following new chapters to the book Paying Caregivers Paying Trustees Fees Understanding and Utilizing ABLE Accounts and Protecting the SNT Trustee Kevin was also able to update and revise the information in the balance of the book and provide additional forms to make the job of being an SNT trustee safer and more efficient With the checklists form documents and law summaries included *Administering the Special Needs Trust* contains a wide range of information for those charged with the responsibility of managing an SNT for persons with disabilities
