Birthday Desperate to spread the word about the wonderful person she had lost Rachael had the brainwave of leaving notes around a city in her memory Deciding she would take it a step further she wondered what would happen if she could ask people to respond to her Full of hope and energy she hand wrote sixty postcards each with her email address at the bottom asking the finder to get in touch But one question remained where should she go Knowing how much she longed to visit Paris the last gift that Rachael s mum had given her was Eurostar vouchers and so it seemed fitting that this would be her chosen city So off she went with a group of friends to celebrate discover and to scatter her memories Filling their time in Paris with sight seeing food and drink laughter and of course postcards
