perspectives conducted in 2020 and 2021 and extensive research Holding Together is a road map for an American rights revival John Shattuck Sushma Raman and Mathias Risse present a comprehensive account of the current state of rights in the United States and concrete recommendations to policy makers and citizens on how to reclaim them Higher Education and Intellectual Retrogression Arup Maharatna,2023-02-24 This monograph critically analyses the historical evolution of ideas perceptions and principles on higher education and unravels a few of its interlinked aspects content quality standard massification privatization and commercialization It presents both original and penetrative critique of neoliberal ideas and policies reigning higher education since World War II The volume argues that with the proliferation of academic capitalism the academic quality of higher education has been inevitably compromised and it has thereby heralded a comprehensive intellectual retrogression The book offers a meticulous evaluation of global research reflecting on impeccable evidence of decline in academic learning in its effort quality standards and overall intellectual level and rigour Finally it illuminates why it is dangerous to continue clinging ideationally to neoliberal reign in education and thereby evading or effacing some of the lasting and universal wisdoms and precepts of the educational reign preceding neoliberal marketoriented predominancy The book will be of interest to students teachers and researchers of education higher education sociology of education economics and politics of education It will also be useful for academicians higher education administration policymakers schoolteachers and those interested in debates and issues around higher education **Organisational Resilience** Ran Bhamra,2015-10-05 An eternal dilemma for all organizations and one that a considerable portion of management schools are set up to address is how to become and stay competitive Organisational Resilience Concepts Integration and Practice brings together for the first time key works that describe the scope and nature of resilience and provides direction to take *Educational Assessment in a Changing World* Isabel Nisbet,Stuart Shaw,2024-10-21 This timely book takes stock of the wide range of developments in society education and assessment and offers conclusions and strategies that are necessary for the future of educational assessment Drawing on examples from the UK Europe and USA the book will dissect cultural political psychological and ideological ideas on society education and assessment and foreground pressing issues relating to artificial intelligence social justice and climate change Acknowledging its predominantly Western perspective and providing context on the evolution of educational assessment the book will bridge the gap between theory and practice to progress debate and discourse on creating a culture of assessment fit for the future and rethinking strategies for the path ahead Ultimately the book will provide insights and key takeaways for the field of educational assessment along with an evidence based agenda that will be relevant for education professionals the assessment industry and policymakers interested in higher education international and comparative education and testing **What Ails France?** Brigitte Granville,2021-04-01 As evidenced by the yellow vests protest movement that began in France in 2018 the state of the French nation inspires gloom among many of its citizens Brigitte Granville views this malaise as a peculiarly French symptom of the difficulties experienced by many

advanced industrial democracies in the face of globalization technology and mass immigration Granville brings trenchant criticism to bear in this wide ranging survey of the political economy of contemporary France building her case for the prosecution on the self reinforcing rigidity produced by a narrow Parisian oligarchy that is both entitled and intellectually hidebound What Ails France applies an economist s vision to the monetary and fiscal pathologies flowing from this ideologically motivated technocratic rule reflected in Europe s flawed monetary union runaway indebtedness and chronically high structural unemployment The author marshals academic research from a wide range of disciplines to fuel a provocative and at times contentious analysis proposing various treatments for French ailments that would reinvigorate the republican value of libert with a new local slant A refreshing ideologically freewheeling discussion What Ails France provides a positive take on the innovations of our digital age exploring their potential to bring about a more representative democracy and a fairer society
