

A woman with long dark hair, wearing a red off-the-shoulder gown with a large purple flower in her hair, is seen from behind. She is looking towards a candelabra with five lit candles on a mantelpiece. In the background, there is a fireplace with a painting of a landscape. The scene is dimly lit, with the primary light source being the candles.

English Novel Hist 1895-1920 David Trotter, 2022-02-22 First Published in 1993 Written specifically for students and assuming no prior knowledge of the subject David Trotter's *The English Novel in History 1895-1920* provides the first detailed and fully comprehensive analysis of early twentieth century English fiction Whereas all previous studies have been rigorously selective Trotter looks at over 140 novelists across the whole spectrum of fiction from the innovations of Joyce's *Ulysses* through to popular mass market genres such as detective stories and spy thrillers By examining the novels in both stylistic and historical terms David Trotter looks at the ways in which writers responded to contemporary preoccupations such as the spectacle of consumption and the growth of suburbia or to anxieties about the decline of Empire racial degeneration and sexual anarchy He also challenges the view that literature of the period can be interpreted as a neat procession from realism to Modernism

Heroines and Local Girls Pamela L. Cheek, 2019-09-27 Over the course of the long eighteenth century a network of some fifty women writers working in French English Dutch and German staked out a lasting position in the European literary field These writers were multilingual and lived for many years outside of their countries of origin translated and borrowed from each others works attended literary circles and salons and fashioned a transnational women's literature characterized by highly recognizable codes Drawing on a literary geography of national types women writers across Western Europe read translated wrote and rewrote stories about exceptional young women literary heroines who transcend the gendered destiny of their distinctive cultural and national contexts These transcultural heroines struggle against the cultural constraints determining the sexualized fates of local girls In *Heroines and Local Girls* Pamela L Cheek explores the rise of women's writing as a distinct transnational category in Britain and Europe between 1650 and 1810 Starting with an account of a remarkable tea party that brought together Frances Burney Sophie von La Roche and Marie Elisabeth de La Fite in conversation about St phanie de Genlis she excavates a complex community of European and British women authors In chapters that incorporate history network theory and feminist literary history she examines the century and a half literary lineage connecting Madame de Maintenon to Mary Wollstonecraft including Charlotte Lennox and Fran oise de Graffigny and their radical responses to sexual violence Neither

simply a reaction to nor collusion with patriarchal and national literary forms but rather both women's writing offered an invitation to group membership through a literary project of self transformation In so doing argues Cheek women's writing was the first modern literary category to capitalize transnationally on the virtue of identity anticipating the global literary marketplace's segmentation of affinity based reading publics and continuing to define women's writing to this day *The Inconvenient Heiress* Jane Walsh,2022-08-16 In the quiet seaside town of Inverley nothing exciting ever happens to gently bred spinsters like Miss Arabella Seton Content with her watercolor paintings and her cats she is confident that no one suspects her forbidden and unrequited passion for her best friend Caroline The eldest in a family of six children Miss Caroline Reeve has the unenviable task of shepherding her siblings into adulthood with little coin and even less patience The only benefit to being an eternal chaperone is that no one ever expects her to marry When the Reeve family inherits an unexpected fortune Caroline must take her rightful place in high society Fortune hunters abound and it is up to Arabella to save her from their snares and convince her that love has been in front of her all along Can the heiress and the spinster discover an unconventional love outside of the Marriage Mart **Kissing the Kavalier** Annette Nauraine,2021 Masquerading as a man wasn't a problem Until she met the man of her dreams Countess Zdenka Waldner dreams of a future on her ancestral farm free of Viennese Society's rules or expectations to marry But her dream depends on saving the farm from her father's gambling debts and finding her sister Arabella a rich husband Tasked with chaperoning Arabella Zdenka masquerades as her younger brother Falling in love with a handsome and passionate Kavalier was not part of the plan Lieutenant Matteo von Ritter veteran of the Austro Prussian war vows to spend his life caring for his injured men He has no tolerance for ordinary women but Arabella Waldner appears to be extraordinary In need of a messenger Matteo recruits her charming younger brother to deliver a series of love letters Unbeknownst to Matteo he is trading letters and falling in love with Zdenka When her deception unravels can Zdenka save her dream her sister's engagement Matteo's honor and his love Set in 1867 Vienna *Kissing the Kavalier* is a sweetly funny and enchanting reimagining of a timeless romance that embraces independence forgiveness and hope **Ever After** Kate SeRine,2014-07-22 To Catch a Thief For centuries Gideon Montrose has served the King of Fairies without question and often without mercy So when the King orders him to apprehend a notorious thief Gideon obeys But when he finally gets his hands on the beautiful culprit Gideon's in for a shock Arabella Locksley is none other than the spirited unpredictable woman he knew back in *Make Believe* as Robin Hood the love of his life whose tragic death destroyed his chance at Happily Ever After Now he has an impossible choice Betray the woman he once loved or the king he's bound to serve Totally new and entertaining Kate Douglas Melissa Taylor Caldwell,2018-09-04 The 1 New York Times bestselling author's magnificent tale of romantic intrigue in the gothic tradition of *Wuthering Heights* and *Jane Eyre* The New York Times In the eyes of his daughter Melissa Charles Upjohn can do no wrong Where others see a minor novelist whose ego far outweighs his talent Melissa sees a brilliant artist deserving of a
