Portraits De Sao Paulo:

French Paintings in the Sao Paulo Museum Museu de Arte de São Paulo Assis Chateaubriand, 1954 **Portraits from the French Renaissance and the Wars of Religion** André Thevet, 2009-11-01 Available for the first time in English these thirteen selections from Andr Thevet s *Les vrais pourtraits et vies des hommes illustres* offer a glimpse of France during a time of great upheaval Originally published in 1584 Thevet s collection contains over two hundred biographical sketches detailing the lives of important persons from antiquity to the sixteenth century Edward Benson and Roger Schlesinger have translated and annotated Thevet s portraits of his contemporaries and divided them into three categories monarchs aristocrats and scholars Additionally an extensive introduction places the work in context and describes the critical attention that Thevet and his writings have received Together these portraits provide a history of sixteenth century France as the country underwent tremendous change from an intellectual renaissance and its first encounter with the New World to the Protestant Reformation and the Wars of Religion that followed France was irrevocably altered by these events and Thevet s account of the lives of individuals who struggled with them is indispensable **Madame Cézanne** Dita Amory, 2014 A new account of C zanne s complex relationship with his wife who served as the subject of some of his most iconic portraits Paul C zanne s 1839 1906 portraits of Hortense Fiquet 1850 1922 his wife and the subject of some of his iconic portraits rank among the most powerful of their kind in French modernism Yet posterity has not been kind to Madame C zanne She was called a distraction blamed for her husband s lackluster landscapes and disdained for her impenetrable expression in the paintings The reality is more complex for while Fiquet may not have been the passion of C zanne s lifetime she was a willing accomplice as model mother of his only son and unwavering partner against all odds Madame C zanne examines this unique relationship as it looks at C zanne the painter draftsman and portraitist Featuring 24 of C zanne s oil portraits of Fiquet and most of the known drawings Madame C zanne both reevaluates with insight and compassion the long held misconceptions about the C zannes unconventional marriage and shows how C zanne s portraits of his wife provide a lens through which to better understand his overall technique Published by The Metropolitan Museum of Art Distributed by Yale University Press Exhibition Schedule The Metropolitan Museum of Art 11 18 14 03 15 15 *A Portrait of Brazil in the Twentieth Century* MARK J. CURRAN, 2013-09-27 A Portrait of Brazil in the Twentieth Century The Universe of the Literatura de Cordel is Currans most recent project The book in effect is the English version of a major work published in Brazil in Portuguese in 2011 *Retrato do Brasil em Cordel* Curran returns to Portrait for several reasons primary is his strong feeling that the amazingly broad view of Brazil in the twentieth century seen in the thousands of booklets in verse from the Cordel represents a major aspect of Brazilian culture in that century Second because there are many important bodies of folk popular verse in the Western tradition all distant relatives of the Greek and Roman epic traditions and because Brazils folk popular poetry is one among them And because a very large reading public interested in such things does not know Portuguese this volume in

English strives to make the tradition available to such readers Finally the book in two volumes represents the cumulative efforts of research and writing of Professor Curran in a career of forty three years of scholarly research and teaching It reveals a unique portrait of Brazil and its people informative instructive and mainly entertaining , *Encyclopedia of Nineteenth-Century Photography* John Hannavy,2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide Novas Travessias Maria Luiza Melo Carvalho,1996 This volume highlights the work of contemporary Brazilian photographers with an emphasis on images which reflect the dynamism and eclecticism of Brazilian society The editor has collected the work of 21 of Brazil s most prominent photographers and accompanies their work with a commentary describing the new uses of photography within the contemporary arts and the burgeoning alternatives to traditional photography The book begins with an historical overview continuing with the experiences of the independent photo agencies of the 1970s the creative surge in the 80s and the recent emergence of photography as a means of personal and artistic expression The direct participation of indigenous authors and photographers from all regions of Brazil allows this book to show how writers and artists see themselves and their work in a de exoticized framework Directory of Museums Kenneth Hudson,Ann Nicholls,1975-06-18 **Catalogue** Bernard Quaritch (Firm),1894 Nineteenth- and Twentieth-century Paintings Richard R. Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of Medicine (U.S.),1945 **Pierre Bonnard** Pierre Bonnard,Nicole R. Myers,Allison Stielau,Metropolitan Museum of Art (New York, N.Y.),2009 The vibrant late paintings of Pierre Bonnard 1867 1947 are considered by many to be among his finest achievements Working in a small converted bedroom of his villa in the south of France Bonnard suffused his late canvases with radiant Mediterranean light and dazzling color Although his subjects were close at hand usually everyday scenes taken from his immediate surroundings such as the dining room table being set for breakfast or a jug of flowers perched on the mantelpiece Bonnard rarely painted from life Instead he preferred to make pencil sketches in small diaries and then rely on these along with his memory once in the studio This volume which accompanies the first exhibition to focus on the interior and related still life imagery from the last decades of Bonnard s long career presents more than seventy five paintings drawings and works on paper many of them rarely seen in public and in some cases little known Although Bonnard s legacy may be removed from the succession of trends that today we consider the foundation of modernism his contribution to French art in the early decades of the twentieth century is far more profound than history has generally acknowledged In their insightful essays and catalogue entries the authors bring fresh critical perspectives to the ongoing reappraisal of Bonnard s reputation and to his place within the narrative of twentieth century art Jacket
