Copland capture the spirit of a youthful America entering the twentieth century What did Kandinsky and Schoenberg share in their artistic visions Leach takes readers on a whirlwind tour of the lives of these artists surveying many of the key movements in the twentieth century by comparing representative works from the modern masters of the visual arts and music Leach's refreshing and innovative approach will interest those passionate about twentieth century art and music and is ideal for any student or instructor museum docent or music programmer seeking to draw the lines of connection between these two art forms Journal of Education ,1896 **Singer and Accompanist - The Performance of Fifty Songs**

Gerald Moore,2011-03-23 The only rule I observed when selecting my fifty songs was that they should be interesting interesting either for their intrinsic worth or for the problems they pose for the singer or the accompanist or both partners The reader who is indulgent enough to imagine there is any benefit to be reaped by a study of this book should dip into it rather than attempt to read it steadily from cover to cover Let him see which of these songs he possesses and then after numbering the bars on his score to help him follow me on my wanderings through the song have his music beside him as he reads He will thus be in a much better position to laugh with me or at me to see how unerringly I hit the nail on the head or how lamentable is my aim Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork New England Journal of Education Thomas Williams Bicknell,Albert Edward Winship,Anson Wood Belding,1896 *Basic Piano* Irving Cheyette,J. Curtis Shake,1954 **Musical Statics** John Curwen,1897 *Dwight's Journal of Music* John Sullivan Dwight,1859 *Musical Observer* ,1924 **Dwight's Journal of Music** ,1858 The Do-it Yourself Handbook for Keyboard Playing Edward J. Shanaphy,Joseph L. Knowlton,1982

*Britten's Children* John Bridcut,2011-04-21 Britten's Children confronts the edgy subject of the composer's obsessional yet strangely innocent relationships with adolescent boys One of the hallmarks of Benjamin Britten's music is his use of boys voices and John Bridcut uses this to create a fresh prism through which to view the composer's life Interweaving discussion of the music he wrote for and about children with interviews with the boys whom Britten befriended Bridcut explores the influence of these unique friendships notably with the late David Hemmings and how they helped Britten maintain links with his own happy childhood In a remarkable part of the book Bridcut tells for the first time the full story of Britten's love affair in the 1930s with the 18 year old German Wulff Scherchen son of the conductor Hermann Scherchen As Paul Hoggart of The Times commented this type of love belonged to an emotional landscape that has vanished for ever and we are the poorer for it Since making the film the author has extended his research to include friendships Britten had with children which have not previously been documented The documentary Britten's Children won the Royal Philharmonic Society's 2005 Award for Creative Communication this serious and beautiful film explored one aspect of a composer's life in great depth Avoiding the temptation of sensationalism Britten's Children was imaginatively researched and both touching and revelatory Book
