

Local Authorities in 2011.

Key:	 Public transport	 Bicycle
	 Private motorised transport	 All other methods of travel

- (a) State, with reasons, which of the four Local Authorities is most likely to be a rural area with many hills. *C high private, low bicycle* [2]
- (b) Explain why pie charts are more suitable for answering part (a) than bar charts showing the same data. *pie charts compare proportions* [1]
- (c) Two of the Local Authorities represent urban areas. *D & C - high public transport*
- (i) State with a reason which two Local Authorities are likely to be urban. [2]
- (ii) One urban Local Authority introduced a Park-and-Ride service in 2006. Users of this service drive to the edge of the urban area and then use buses to take them into the centre of the area. A student claims that a comparison of the corresponding pie charts for 2001 (not shown) and 2011 would enable them to identify which Local Authority this was. State with a reason whether you agree with the student. [2]

Doerner, Steven P. Lab, 2020-12-29 This book covers the scope of crime victims suffering in the U S offering a history of victims and the measurement of victimization an explanation of the victim s role in the criminal justice process and a recounting of the issues crime victims face as a result of crime and the criminal justice process Doerner and Lab both well regarded scholars write compellingly about how the current criminal s justice system can be transformed into a victim s justice system Theory is woven together with the description of each topic and specific examples illustrate each point The book goes on to address the full impact of victimization and a final section details specific types of victimization ranging from violent crimes including child and elder abuse to property crime to crime in the school and in the workplace The authors explain how obstacles hinder the pursuit of justice and provide significant policy and programming suggestions to render the system more victim friendly Appropriate for undergraduate as well as early graduate students in Victimology courses in Criminology Criminal Justice Sociology and Justice Studies programs this book offers rich pedagogical features and online student resources as well as test bank PowerPoint lecture slides and sample syllabus for instructors The Campus Rape Frenzy KC Johnson, Stuart Taylor, Jr., 2018-05-22 In recent years politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation s institutions of higher learning as awash in a violent crime wave and to suggest preposterously that university leaders professors and students are indifferent to female sexual assault victims in their midst Neither of these claims has any bearing to reality But they have achieved widespread acceptance thanks in part to misleading alarums from the Obama administration and biased media coverage led by The New York Times The frenzy about campus rape has helped stimulate and has been fanned by ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation s all too compliant colleges and universities essentially to presume the guilt of accused students The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play This book uses hard facts to set the record straight It explores among other things nearly two

dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have in a lopsided process been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges often after being tarred and feathered by their fellow students And it shows why all students and eventually society as a whole are harmed when our nation s universities abandon pursuit of truth and seek instead to accommodate the passions of the mob As detailed in the new Epilogue some encouraging events have transpired since this book was first published in October 2016 A majority of the judicial rulings in dozens of lawsuits by male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike revoked most of the guilt presuming Obama era policies and began a protracted rule making process designed to compel procedural fairness and nondiscrimination
