Of Teaching And Learning In The Language Classroom By Hedge:

Teaching and Learning in the Language Classroom Tricia Hedge, 2000-01-13 Draws on research in a variety of fields and applies it to teaching practice Features topics of current concern including defining the roles of teachers and learners critical pedagogy interactive learning and using innovative teaching materials Includes criteria for and advice on evaluating classroom activities especially those provided in the published materials that most teachers typically use Can be used as a reference text or handbook by individual teachers or as a sourcebook or class text by teacher trainers Written mainly for practising teachers but can be used by new and inexperienced teachers to give a thorough introductory overview of ELT

Dynamics of Teaching and Learning Modern Hebrew as an Additional Language Yona Gilead, 2017-10-02 In *Dynamics of Teaching and Learning Modern Hebrew as an Additional Language* Yona Gilead presents original research into classroom interactional practices by offering a thick description of a successful beginner level Modern Hebrew program at an Australian university The book charts and theorizes the cohort's teacher and students trajectory of using Hebrew as the main means of instructing and acquiring the language and highlights seven key features which contribute to students learning The book's research based findings and analysis of classroom dynamics contribute to theorizing the currently largely praxis based discipline of L2 Modern Hebrew instruction hence providing a stronger theoretical understanding of how and why students can be assisted in their language learning This original research provides a template for renewed L2 Hebrew research

Teaching and Learning in the Language Classroom Tricia Hedge, 2005 This book explains problematic areas of English grammar with an emphasis on meaning It provides a fresh approach to grammar which focuses on topics such as articles and direct and indirect speech which teachers often find difficult to explain to their students

Handbook of Teaching and Learning Persian as a Second Language Hooman Saeli, 2025-09-26 This collection explores relevant pedagogical and sociolinguistic topics in the teaching and learning of Persian as a foreign and second language Owing to the dearth of research in many areas pertaining to the teaching and learning of Persian this handbook provides empirically supported insights into various aspects of these areas While the literature on teaching and learning Persian is growing the field lacks a cohesive collection on Persian as a foreign second language The book addresses issues pertaining to the standardization and validation of teaching and assessment methods which remain under explored in the contexts of teaching and learning Persian It also covers the teaching of Persian pragmatics the use of corpora as well as a range of different areas within linguistics including phonetics prosody and historical linguistics This comprehensive collection contributes substantially to the scientific study of many aspects of teaching and learning Persian which have been neglected for decades A must have text in Persian language pedagogy and Persian sociolinguistics it an essential book for those in teaching and learning in Persian language programs worldwide

An Introduction to Foreign Language Learning and Teaching Keith Johnson, 2017-11-22 An Introduction to Foreign Language Learning and Teaching provides an engaging student friendly guide to the field of foreign

language learning and teaching Aimed at students with no background in the area and taking a task based approach this book introduces the theoretical and practical aspects of both learning and teaching provides discussion and workshop activities throughout each chapter of the book along with further reading and reflection tasks deals with classroom and task based teaching and covers lesson planning and testing making the book suitable for use on practical training courses analyses different learning styles and suggests strategies to improve language acquisition includes examples from foreign language learning in Russian French and German as well as English is accompanied by a brand new companion website at www.routledge.com/cw/johnson which contains additional material exercises and weblinks Written by an experienced teacher and author An Introduction to Foreign Language Learning and Teaching is essential reading for students beginning their study in the area as well as teachers in training and those already working in the field **Materials and Methods in ELT** Jo McDonough, Christopher Shaw, Hitomi Masuhara, 2013-01-04 Featuring extensive updates and revisions the 3rd edition of Materials and Methods in ELT offers a comprehensive and useful introduction to the principles and practice of teaching English as a foreign second language A popular and practical guide for teachers teachers in training and for students studying methods and materials Features a new chapter on IT in English language teaching new samples from current teaching materials plus a new section on technology for materials and methods Covers how to approach materials and methods evaluation and adaptation technology for materials and methods and teaching in under resourced classrooms Examines the different methods available to teachers for organizing and managing an ELT classroom including group and pair work individualization and classroom observation **African Perspectives on the Teaching and Learning of English in Higher Education** Alexandra Esimaje, Bertus van Rooy, 'Demola Jolayemi, Daniel Nkemleke, Ernest Klu, 2023-05-23 This book brings together the work of African scholars and educators directly involved in initiatives to improve the teaching and learning of English in higher education across Africa Offering alternative perspectives across different African countries with examples of decolonised practice in research the book provides a critical discussion and examples of successful practice in the teaching of English in Africa Each chapter of the book reports on a specific context and a specific teaching and or learning initiative in higher education with emphasis on comparability of information and on clear evaluation and critical analysis of the intervention The editors offer a thoughtful comparison of different methods strategies and results to provide an authoritative reference to effective strategies for English teaching and learning The book paints a cohesive picture of the field of English language teaching in Africa and will be of great interest to researchers scholars and postgraduate students in the areas of applied linguistics English teaching and comparative education **Frontiers of Language and Teaching: Proceedings of the 2010 International Online Language Conference (IOLC 2010)** Azadeh Shafaei, 2010-12-27 This collection is comprised of papers submitted to the 3rd International Online Language Conference IOLC held in September 2010 IOLC 2010 was a two day conference which aimed to provide a forum for academics

practitioners experts and students to debate current international issues and challenges in the broad area of language learning and teaching This annual world renowned conference takes place over the internet allowing participants to save accommodation and flight expenses and at the same time helping to save our planet by reducing CO2 emissions All submitted papers went through a double blind review process before a decision was made This was to ensure the quality level of the conference is kept high **How to Teach English** Jeremy Harmer,2007 Demonstration clips of good teaching practice for all language skills also includes discussions and teacher reflection *2014 International Conference on Advanced Education and Management (ICAEM2014)* ,2014-02-13 The ICAEM2014 aims to bring together researchers educators and students from around the world in both industry and academia for sharing the state of art research results and applications for exploring new areas of research and development and for discussing emerging issues on education and management fields We received a total of 312 submissions from various parts of the world The Technical Program Committee worked very hard to have all papers reviewed before the review deadline The final technical program consists of 92 papers There are one keynote speech and 2 invited sessions The proceedings were published by DEStech Publications Inc and will submitted to Ei Compendex databases for indexing We would like to mention that due to the limitation of the conference venue capacity we are not able to include many fine papers in the technical program Our apology goes to those authors
