Ohio Curiosities Sandra Gurvis, 2011-08-02 The definitive collection of Ohio's odd, wacky, and most offbeat people, places, and things for Ohio residents and anyone else who enjoys local humor and trivia with a twist

Ohio Curiosities Sandra Gurvis, 2007 Your round trip ticket to the wildest, wackiest, most outrageous people, places, and things the Buckeye State has to offer. Walk among 109 human-size ears of corn through a collection of some 1,000 autographed hot dog buns and over perfectly good subway tunnels that have never been used. Cross a bridge to stay on the same side of the river, traverse state lines without leaving a pharmacy, or give a drive-by high five to a 62-foot-tall Jesus. Meet Juno, the transparent talking woman, see Pretty Boy Floyd's fate immortalized in a death mask, or examine three pickled and preserved fingers. Whether you're a born and raised Ohioan or a recent transplant, author Sandra Gurvis will have you laughing out loud as she introduces you to the neighbors you never knew you had and takes you to places you never knew existed right in your own backyard

State Oddities Nancy Hendricks, 2022-05-18 *State Oddities* takes a different kind of look at the American nation, spotlighting the fun foibles, peculiarities, and twists in each of the 50 states that are mostly united under the Stars and Stripes. *State Oddities* is a fascinating trip through the 50 states for students studying America, teachers planning classroom activities, and general readers who will enjoy an eye-opening journey through the nation's fun side. It offers a compelling look at the character of America through the individuality of 50 very distinct states that together form the USA. This book paints a picture of the broad sweep of the American story, offering a gateway to the country as it developed into one nation filled with individual states that can be remarkably different from each other yet unified under such national symbols as the American flag and The Star Spangled Banner

American Folk Art Kristin G. Congdon, Kara Kelley, Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place, informed by innovation and grounded in cultural context. The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays. *American Folk Art: A Regional Reference* offers a collection of fascinating essays on the life and work of 300 individual artists. Some of the men and women profiled in these two volumes are well known, while others are important practitioners who have yet to receive the notice they merit. Because many of the artists in both categories have a clear identity with their land and culture, the work is organized by geographical region and includes an essay on each region to help make connections visible. There is also an introductory essay on U.S. folk art as a whole. Those writing about folk art to date tend to view each artist as either traditional

or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are [Cincinnati Magazine](#) ,2008-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Nebraska Curiosities** Rick Yoder,David Harding,2010-01-19 Discover Nebraska s curious underside with this oddly entertaining little guide Travelers with a taste for the bizarre tacky and hilarious can visit the Avoca Quack Off learn about the inland Linoma Lighthouse view a Roller Skating Museum and pay a visit to the world s largest covered wagon Only true Cornhuskers could capture the essence of these and other authentic Nebraska phenomena and Rick Yoder and David Harding do their home state proud [Iowa Curiosities](#) Eric Jones,Dan Coffey,2009-11-10 Your round trip ticket to the wildest wackiest most outrageous people places and things the Hawkeye State has to offer
