 National Council for Accreditation of Teacher Education,1999-06-04 This valuable resource is the definitive guide to
 nationally accredited institutions that prepare teachers Students embarking on teaching careers need guidance to select the
 college or university programs that will best prepare them for the complex demands of today's classrooms and students As
 the profession continues to change dramatically aspiring teachers must meet higher standards from school districts state
 licensing boards and professional associations Many of these standards begin with the National Council for Accreditation of
 Teacher Education NCATE Only half of the country's teacher preparation programs have met NCATE's rigorous standards
 This guide provides vital information about each of the accredited colleges and universities from tuition size and length of
 program to descriptions of noteworthy program features including clinical experience opportunities In addition to providing
 detailed information on the 500 accredited programs across the nation this guide lists the accredited programs that meet
 especially high standards set by leaders in each teaching field The guide's resource materials make it easy for the student
 guidance counselor and career advisor to gain up to date information about becoming a teacher today *A Guide to College*
