In some areas where women mobility is restricted or literacy levels are low or they face any constraints that hinder their performance, the GBTI management is allowed to relax rules as compared to those applicable to men to bring women at par with men.

Transparency: Though certain levels of supervisory staff enjoy authority over the others, all decisions are documented and the basis of decisions is generally known to all GBTI employees.

Flexibility to meet diverse requirements of the program: GBTI's operations cover diverse areas, population, casts and languages; hence the procedures may not be the same across all regions.

Continuous capacity building: The driving force of any organization is its people. Therefore, GBTI is committed to build opportunities and pursuit life-long learning for its all employees without any discrimination that gives the capacity to move forward to achieve its mission and sustain its existence.

Rewarding exceptional performers, innovators and role models for inspiring other staff to increase programme effectiveness, improve efficiency or mobilize financial resources.
