

CHAPTER 10: THE ENVIRONMENT

The environment is the natural world, including the atmosphere, land, and water, and the living organisms that inhabit it. The environment is a complex system of interacting components that influence each other. The environment is a dynamic system that is constantly changing. The environment is a resource that we all depend on for our survival. The environment is a responsibility that we all share. The environment is a challenge that we all face. The environment is a gift that we all cherish.
