NAEP 1994 Geography Report Card Hilary R. Persky,1996 This book reports on the 1994 National Assessment for Educational Progress NAEP assessment in geography for grades 4 8 and 12 Students performance is summarized on a scale ranging from 0 to 500 with the achievement levels of Basic Proficient and Advanced for each grade Major findings for the nation include 1 The Proficient level was reached by 22 percent of fourth graders 28 percent of eighth graders and 27 percent of twelfth graders 2 At each grade level roughly 70 percent of students were at or above the Basic level 3 As students geography scores increased the complexity and sophistication of the geographic knowledge and skills they exhibited increased and 4 Generally students across grades in the higher percentiles exhibited greater abilities to work with a range of geographic tools create maps based on tabular or narrative data grasp processes and relationships bring outside knowledge to bear on answering questions and analyze data The book contains five chapters Chapter 1 NAEP 1994 Assessment in Geography presents the overview of the NAEP 1994 geography assessment including its content framework design and administration along with sample questions and student responses from the assessment Chapter 2 Geography Results For the Nation and Regions provides overall average scale score results for the nation regions and subgroups of students Chapter 3 Geography Achievement Levels describes student performance in terms of achievement levels Chapter 4 Contexts in Which Students Learn Geography describes contextual factors related to students geography achievement Chapter 5 What Students Know and Can Do in Geography describes the specific abilities that students demonstrated on the NAEP 1994 geography assessment and reports student performance in different content areas of geography Three appendices and extensive tables and figures accompany the text EH

The NAEP 1997 Arts Report Card Hilary R. Persky,Brent A. Sandene,Janice M. Askew,1998 The last several years have seen a growing resolve among educators and policymakers to assure the place of a solid arts education in U S schools In 1997 the National Assessment of Educational Progress NAEP conducted a national assessment in the arts at grade 8 The assessment included the areas of music theater and visual arts For each of these arts areas this Report Card describes the achievement of eighth graders within the general population and in various subgroups Taken with the information provided about instructional and institutional variables this report gives a context for evaluating the status of students learning in the arts The arts assessment was designed to measure the content specifications described in the arts framework for NAEP The arts have a unique capacity to integrate intellect emotions and physical skills in the

creation of meaning Meaningful arts assessments need to be built around three arts processes creating performing and responding To capture these processes the arts assessment exercises included authentic tasks that assessed students knowledge and skills and constructed response and multiple choice questions that explore students abilities to describe analyze interpret and evaluate works of art in written form Data are reported in overall summaries for creating performing and responding in terms of student and school reported background variables Student results for theater are discussed in terms of teacher reported background variables as well The major findings of the assessment are that a large percentage of grade 8 students attend schools in which music and visual arts were taught usually by specialists most students attended schools in which instruction following district or state curricula was offered in music and visual arts but not in theater or dance and most visual arts and music instruction took place in school facilities that were dedicated to that subject JH

**The Writing Report Card, 1984-88** Arthur N. Applebee, 1990 Based on two national assessments of the writing proficiency of representative samples of students in grades 4 8 and 11 conducted during the school years ending in 1984 and 1988 this report assesses the informative persuasive and imaginative writing performance of the nation s students and tracks changes in performance over time The first three chapters of the report describe student performance on the informative persuasive and imaginative writing tasks included in the writing trend assessments based on the results of the primary trait and holistic analyses The fourth chapter summarizes trends in average task accomplishment for the nation and various demographic subpopulations In the fifth chapter trends in students grammar punctuation and spelling are discussed The sixth chapter discusses factors that appear to be related to writing performance such as students instructional experiences and home environment The report concludes that despite some progress on some tasks students writing performance across tasks remains low and has changed little across time The report also finds that the extent to which students at all grade levels value writing use it in their own lives and engage in writing process activities remains quite limited A procedural appendix and an appendix of data are attached RS

**NAEP 1998 Civics Report Card for the Nation** , 1999 Product description from NCES This publication presents the results of the NAEP 1998 civics assessment for the nation The results are based on assessing a sample of students who are statistically representative of the entire nation For this subject in contrast to the other major subject reports presented this year in reading and writing there were no additional state level results Students performance on the national assessment is described in terms of their average civics score on a 0 to 300 scale and in terms of the percentage of students attaining each of the three achievement levels Basic Proficient and Advanced
