Gomathy,Dr. S. Saravanan,Dr. M. Abirami, *Resume Writing Secrets* Anthony Ekanem,2016-10-15 Everyone in the business world knows that having a good strong resume can mean the difference between getting a job and not getting a job You will need to have a resume that is crafted professionally and that will reflect you your job abilities and your experience Having a good looking resume is so important when you are searching for a job that it should be your number one priority There are all sorts of ways you can go about crafting a resume that works but there is no magic formula for a resume that will work all the time The choice really is up to you how you put together a resume but there are certain nuances that you will need to be included in your resume that every employer looks for It is not difficult to put together a resume that works but it is important that you not overlook what makes your resume most effective This one or two page document speaks about you your abilities your experience your education and your accomplishments It is the first thing that a potential employer will see before he or she meets you so you want it to really be compelling and make them want to pick up the phone and call you for an interview There are all sorts of schools of thought regarding how a resume should look what information it should contain and how to put it together However most business people agree that when they look at a resume of a potential employee they want to the resume to be concise to the point and easy to read Whichever school of thought you as a job seeker subscribe to you will still want your resume to be what a potential employer wants to see Take Charge of Your Health Care Career Hal Patterson,1998 You ll find the tips and tools to manage your career and take charge of every step in your job search from self marketing and selling tools to the interview and salary benefits negotiations Operation Job Search John Henry Weiss,2016-02-16 Operation Job Search is the ultimate guide for US military veterans seeking employment after discharge It provides information about the civilian workforce rubrics for navigating one s career and a list of essential resources to consult during the job search Also included are sections dedicated specifically to suggestions and resources available to female veterans Weiss explains that hiring managers and human resources directors hire veterans who make the effort to

build a professional relationship He discusses the importance of leaving the house and meeting employers at venues such as job fairs trade shows office parks and even Starbucks Weiss offers practical instructions and crucial tips such as Establish an operations center home office for job hunting Don't be afraid to make cold calls Dress appropriately for job interviews and practice communicating in civilian speak not military jargon Target military friendly companies that value the skills of returning military personnel If you are a US military veteran searching for a job Operation Job Search will guide you every step of the way from translating your skills into civilian speak to negotiating your contract Top Notch Executive Resumes Katharine Hansen,2025-09-12 Branded resumes that illuminate the candidate's unique value proposition and ROI are a must in today's quest for the executive suite Top Notch Executive Resumes not only explains how to integrate branding into career marketing communication but also how to craft resumes that address your fit with the organization's mission and meet an employer's specific business needs Hansen instructs high level professionals in framing past accomplishments so that the employer can visualize the executive's strategic vision and industry insights as well as what he or she can contribute Highlights of the book include A huge collection of resume samples in cutting edge formats organized by profession for easy navigability Examples of a wide variety of complementary documents including leadership profiles and executive bios that top level professionals need to round out their executive portfolios Special additional features including the preferences and peeves of hiring decision makers guidelines for working with recruiters frequently asked questions and case studies detailing complete job search marketing campaigns Let Top Notch Executive Resumes get you into that corner office Career Directioning Glenn A. Druhot,2007-08-27 CAREER DIRECTIONING Career Directioning is a method of seeking your perfect job based upon your values abilities and personality not just another job The purpose of this book is to assist you in discovering the best right career for you If you are searching for a more satisfying career have been downsized feel as though by changing jobs you will increase your earning power or you are starting your first job search the techniques in this book will help This book is designed in a workbook format to assist you in your career management You will find that each chapter builds on the previous chapter The book begins by describing the emotional stages that we go through whenever there is a job loss Then it proceeds to describe the ways to discover your perfect job Its truly amazing how many of us lose sight of what we once were planning on doing with our career or worse yet have difficulty in describing what our ideal job would look like I have spent my career listening to people say how dissatisfied they were with their jobs and careers When I ask them what their passion is they often cannot answer what that could be Do you know what your passion is for an occupation Are you living the life that you want Are you employed in a position that is unfulfilling Are you looking for a career change Have you been a victim of downsizing It has been said that the only true success in life is to have lived life in your own way What would life be like if you lived your life in your own way When was the last time that you thought about it Did you have a dream like most of us as you were growing up to be or to do something and life got in the way Wouldnt it be

wonderful if you could get up tomorrow and go to work in a position where you would feel as though you are contributing something to the organization Or being employed where you are appreciated for what you do Or better yet work in a position that you know you are making a difference Life is too short to spend time in a career that is not fulfilling Too many people ask themselves what kind of job or career would be best for them Why is it that we focus on the what rather than the how Well it is possible but you must make it happen You cant wait for employers to come to you You have to take charge of the direction of your career direction yourself What is your rationale for reading this book Could it be one of the following You are searching for a more satisfying career You have been downsized from a job You are starting your first job search Feelings like your opportunities for growth are limited where you are presently There is a basic conflict of values on the job You are a Baby Boomer and are now seeking a career that you hope will be more satisfying than what you have done so far in life There has been a significant life event that is propelling you to make a career change It could be something like a near death experience divorce turning 40 or 50 or physically unable to do the job that you have done in the past You feel as though by changing jobs you will increase your earning power You would like to pursue a dream or complete a mission Maybe you were fired or laid off and need to make a career change You have retired and now are seeking a rewarding career that you would enjoy more You have climbed the corporate ladder and your priorities have changed Often we allow corporations or organizations to manage our careers In my private career coaching practice I have helped literally thousands of individuals who have allowed corporations to totally control their lives and when they have been job eliminated or the company is acquired by another public traded corporation they find themselves searching for a new direction with their career I feel privileged like other ca
