Oecd Development Co Operation Peer Reviews:

OECD Development Co-operation Peer Reviews Mainstreaming cross-cutting issues OECD,2004-10-31 *OECD Development Co-operation Peer Reviews: Korea 2018* OECD,2018-02-07 Korea is often cited as a leading example of how sound economic policies can drive growth and development blazing a trail from poverty to advanced industrialisation throughout the 1970s and 1980s

OECD Development Co-operation Peer Reviews OECD Development Co-operation Peer Reviews: Korea 2024 OECD,2024-05-21 The OECD's Development Assistance Committee DAC conducts peer reviews of individual members once every five to six years. Reviews seek to improve the quality and effectiveness of members' development co-operation highlighting good practices and recommending improvements. Fourteen years after joining the DAC in 2010, Korea is at a pivotal juncture as it rapidly scales up official development assistance (ODA) and assumes more global responsibility. The 2020 revision of the Framework Act signals a more coherent cross-government approach to implement a larger budget. There is potential to bring greater coherence between domestic and international policies supported by legislation on sustainable development. This peer review provides a set of recommendations for Korea to strengthen strategic partnerships and dialogue with partners and use the cross-government capacity review and evaluations to prioritise larger ODA volumes to implementers. It recommends that Korea increase the number of qualified staff working in development across government, delegate more authority to partner country offices and increase its risk appetite to expand private sector operations.

OECD Development Co-operation Peer Reviews: Spain 2016 OECD,2016-03-04 The OECD Development Assistance Committee (DAC) conducts periodic reviews of the individual development co-operation efforts of DAC members. The policies and programmes of each member are critically examined approximately once every five years.

OECD Development Co-operation Peer Reviews: United States 2016 OECD,2016-12-16 The OECD Development Assistance Committee (DAC) conducts periodic reviews of the individual development co-operation efforts of DAC members. This is the review of the United States.

OECD Development Co-operation Peer Reviews OECD Development Co-operation Peer Reviews: France 2024 OECD,2024-07-09 The OECD's Development Assistance Committee (DAC) conducts peer reviews of individual members once every five to six years. Reviews seek to improve the quality and effectiveness of members' development co-operation highlighting good practices and recommending improvements. France has embarked on an ambitious reform of its development co-operation in institutional, strategic and financial terms. In addition to a substantial increase in the resources devoted to official development assistance and a strengthening of its crisis response instruments, France has championed the linkages between the green and social agendas and the mobilisation of the private sector for sustainable development. The review discusses the difficult balance between the objectives of visibility and development impact, particularly in fragile contexts. It makes recommendations on combining political impetus, steering by objectives and flexibility, deepening the cross-benefits between the social

environmental and economic dimensions of sustainable development and strengthening the contribution of local private sector to poverty reduction by optimising available resources and instruments

OECD Development Co-operation Peer Reviews Engaging with the Public Twelve Lessons from DAC Peer Reviews OECD,2014-11-24 This booklet highlights key lessons learned on engaging with the public based on DAC members practices as documented in peer reviews DevCom s reports and publications and wider work from across the OECD

OECD Development Co-operation Peer Reviews: United Kingdom 2020 OECD,2020-11-12 The OECD s Development Assistance Committee DAC conducts reviews of the individual development co operation efforts of DAC members once every five to six years DAC peer reviews critically examine the overall performance of a given member not just that of its development co operation agency covering its policy programmes and systems They take an integrated system wide perspective on the development co operation activities of the member under review and its approach to fragility crisis and humanitarian assistance The United Kingdom uses its global standing and convening power to promote an evidence based approach to stability inclusion and prosperity and continues to provide 0.7% of its national income as Official Development Assistance ODA The depth and breadth of its expertise combined with flexible funding instruments and strong country presence allow the United Kingdom to focus these ODA resources on developing country needs while protecting its own longer term national interests Articulating a clear and comprehensive whole of government vision for its support to international development would allow the United Kingdom to reinforce its policy priorities and engage the public Further measures to build effective partnerships and institutional capacity in developing countries would allow the United Kingdom to build ownership of development processes and contribute to lasting change
