Limits is part of Evelyn Ellis's Historical First Time Forbidden Series tales of erotic encounters between young virginal women and the older men who desire them. The collection contains scenes, language, and themes intended for an adult audience.

[Bound For My Step](#) Rose Summer, 2019-04-20 When Julie's friends find out she's a virgin, they plan a special surprise for her: she will be bound, blindfolded, and helpless, ready to lose her virginity and have the night of her life with a complete stranger. But halfway through, the blindfold comes off, and she can see none other than her oldest friend, who's been more like a brother to her for years, making her body come alive in a way she never could have thought possible. He's always been the ultimate forbidden fruit, a sexy, dangerous bad boy, not the kind of guy she could take home to her mother for more than one reason. He's been completely off-limits so far, but as she's tied up and completely at his mercy, she has no choice but to surrender to his wild passion and allow him to have his way with her. He's taboo and untouchable; someone could walk in at any minute, but this is one bad boy she can't resist. This erotic short story is over 3,000 words long and contains forbidden love as a college-age girl is tied up and taken by the forbidden bad boy.

Taboo Sex Stories for Adults Anna Filly, 2020-05-18 Do you want hot and dirty stories with anal sex, milfs, bdsm, and submissive to stimulate your hidden sensations and repressed cravings? If yes, then keep reading. Have you ever imagined what it would be like to host a sex party? Think of the threesome. Imagine leading your lover to a night of sexual power or submission. You may have always liked to believe that you were a schoolgirl or a scientist. Or in your own private moments, you might dream of being seduced by a rock star. Perhaps your friend has succumbed to the dream of becoming a sexy firefighter protecting beautiful girls from danger. Have you ever dreamed of doing the taboos sex act you could dream about with your new secretary in the workplace for hours? Fantasies are free, intimate sex toys of your own. They're sending a strong current from your brain to your groin. The right erotic dream, playing through your brain like a private movie, will turn you on like a tap. If you know what works for you, your own creative imagination will carry you to dizzying heights of excitement and take you over the orgasmic cliff. Sex is familiar to everyone and involves biomechanical and instinctive intercourse. Sex is more realistic and complex than what television and movies show. Sex is beautiful, every form of it. What good sex does to the body, soul, and mind is indescribable. It's not the same as a meal prepared with the same recipe, so you know what to expect. It is not like a hobby that constant repetition can easily lead to boredom. As much as we love sex and love having it, many people mystify it or make it seem like a bad thing. They talk about it in a hushed voice, and when nobody is looking. Even when they talk about it, they do not like to admit that it is them that are involved in sex. It is always a friend or an acquaintance. With every partner, every position, and every location, it is done; it varies. Even when you have sex repeatedly with the same partner, it is different each time, and you may not even know when to expect the next time. There is nothing wrong or to be ashamed of. When you embrace it, understand that it is beautiful and meant to be embraced and enjoyed; you will be expressive enough to explore and seek out ways to make your sex life better. Warning: Sex Stories is for adults only. Some dreams you would like to pursue include:
