Pistolet Et Talons Hauts:

Tunisian Women's Writing in French Sonia Alba, 2018-11-21 Tunisian women's literary production in French published or set between the years 1987 and 2011 from Tunisia's second president Zine El Abidine Ben Ali's rise to power to the eve of the Tunisian Revolution reveals the role of women their political engagement and their resistance to patriarchal oppression. A great deal of media and scholarly attention has focused on the role of women during the Tunisian Revolution itself yet few studies have considered women's literary and active engagement prior to the uprising. By contrast this book focuses specifically on the time period leading to the Revolution. The book is structured around three chapters each focusing on a different form of writing and on a number of contemporary Tunisian writers who have chosen to express themselves in French. Sonia Alba explores the complex ways in which the authors have attempted to deal with those issues cultural social and political most relevant to them. This is the first study of Tunisian women's writing in French to compare and contrast key themes in three different genres within a single study and within the conceptual framework of subaltern counterpublics. The work is enhanced by the inclusion of extracts from previously unpublished authors interviews. Tunisian Women's Writing in French is essential reading for all Francophone and Postcolonial scholars and for scholars and students working in Contemporary Women's Writing.

Dans la tête des SS

Serge de Sampigny, 2019-10-02 Les derniers SS sont encore vivants. Trop souvent parfois sous la menace de poursuites judiciaires, ils ont coulé des jours tranquilles en Allemagne, en Autriche, en France, en Belgique ou en Grande Bretagne et ailleurs. Certains tentent toujours d'échapper à la justice. Serge de Sampigny est parti leur recherche. Son but : faire comprendre ce que ces hommes avaient dans la tête quand ils servaient avec zèle le régime d'Adolf Hitler. Ces initiateurs de l'ordre nazi, complices de massacres et de génocide, ont accepté de lui répondre. Ils racontent leur enthousiasme devant leurs crimes, revendentiquent leurs jugements. Un livre indispensable pour comprendre les autres criminels qui aujourd'hui encore nous menacent au nom d'une nation, d'une race, d'une religion.
