## Task 1

### Question 1

What does the boy decide to do on Sunday afternoon?

**F:** Got any plans for Sunday afternoon?

**M:** Well, I was going to study because I haven't finished my geography homework, but I'd like to buy some new trainers. Can you give me a lift into town?

**F:** No, I'm going in the opposite direction. I'm off to an art exhibition. Do you fancy coming along?

**M:** I'll go another time. If you take me to the park, I'll be able to play football. My mates are always there on Sunday afternoons.

**F:** OK, I can drive you there. The park's on the way to the gallery.

### Question 2

Which TV interview did the boy most enjoy watching?

**F:** Did you see the chat show on Channel 6 last night?

**M:** Yes, I always watch that programme. There was even an interview with my favourite basketball player last week. Last night they had Maria Jones on to talk about her new bestselling novel. It was my favourite show so far because she was really entertaining!

**F:** I agree. The show always has great guests, including top Hollywood actors.

**M:** Yeah, though people like that don't usually say anything very interesting, in my opinion. And why don't they interview some scientists for a change? Why does the show just focus on celebrities?
