Political Parties Old Concepts And New Challenges Comparative Politics:

Political Parties Richard Gunther, José Ramón Montero, Juan José Linz, 2002

Political Parties Richard Gunther, 2002

Political Parties in the New Europe Kurt Richard Luther, Ferdinand Müller-Rommel, 2002 The scope and intensity of the challenges currently faced by western European political parties is exceptionally large threatening the viability of the manner in which they have traditionally operated and causing them to seek new behaviours and strategies This volume brings together some of the foremost scholars of European party politics whose evaluation of political parties in the new Europe is organised under four broad headings Parties and Society Parties as Purposive Organisations Parties and National Government and Parties the Nation State and Beyond The contributors review the latest empirical findings and provide a concise critical review of the theoretical and methodological state of the art They also highlight the analytical challenges confronting party researchers and suggest new avenues for party research

Political Parties in Advanced Industrial Democracies Paul Webb, David Farrell, Ian Holliday, 2002-09-26 How relevant and vital are political parties in contemporary democracies Do they fulfill the functions that any stable and effective democracy might expect of them or are they little more than moribund anachronisms relics of a past age of political life now superseded by other mechanisms of linkage between state and society These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world's advanced industrial democracies Drawing on the expertise of an impressive team of internationally known specialists the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic though rarely acute parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed This has enabled them to remain central to democratic systems especially in respect of the political functions of governance recruitment and albeit more problematically interest aggregation On the other hand the challenges they face in respect of interest articulation communication and participation have pushed parties into more marginal roles within Western political systems The implications of these findings for democracy depend on the observer's normative and theoretical perspectives Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and politics The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research

Political Parties in Post-Uprising Tunisia and

Morocco Giulia Cimini, 2023-03-31 This book offers a comparative theory grounded study of Maghrebi political parties since

the Arab uprisings specifically focused on Tunisia and Morocco in the first decade after the 2011 watershed elections Based on primary sources including in depth interviews and updated party statutes and bylaws the author introduces four case studies of key Islamist and anti Islamist parties exploring their organisational standing internal working and legitimating assets By dwelling into a topic long neglected the author provides insight into the hybrid nature of political parties in the Maghreb oscillating between juxtaposed traditional and modern discourses and ambivalent sources of political authority As such it is hybridisation that shapes parties organisational choices and development and accounts for differences within parties In the wake of political liberalisation the author argues that political parties have become increasingly distant from society distrusted by a large part of the citizenry Ultimately the Tunisian and Moroccan cases invite reflection on similar phenomena taking place within the Middle East and North Africa region and even outside of it Bridging disparate disciplines including comparative politics area studies and contemporary Middle Eastern history the book will be of interest to a broad range of graduate level students and academics

Passion, Craft, and Method in Comparative Politics Gerardo L. Munck, Richard Snyder, 2007-07-02 In the first collection of interviews with the most prominent scholars in comparative politics since World War II Gerardo L. Munck and Richard Snyder trace key developments in the field during the twentieth century Organized around a broad set of themes intellectual formation and training major works and ideas the craft and tools of research colleagues collaborators and students and the past and future of comparative politics these in depth interviews offer unique and candid reflections that bring the research process to life and shed light on the human dimension of scholarship Giving voice to scholars who practice their craft in different ways yet share a passion for knowledge about global politics *Passion Craft and Method in Comparative Politics* offers a wealth of insights into contemporary debates about the state of knowledge in comparative politics and the future of the field

Portugal at the Polls André Freire, Marina Costa Lobo, Pedro Magalhães, 2007-01-01 Portugal at the Polls is a timely evaluation of the quality of Portuguese democracy Measuring both political attitudes and electoral behavior this volume addresses one of the most central features of democracy the relationship between citizens and institutions Editors Andre Freire Marina Costa Lobo and Pedro Magalhaes take full advantage of the first Portuguese post electoral academic survey to complete this study Moreover the study theoretically analyzes the contribution of behavioral and political attitudes to the particular 2002 election as well as Portuguese democratic politics in general While each chapter explores specific details the chapters generally fall into one of two over arching themes The first theme contextualizes Portugal in a greater trend of elections being based on candidate image and economic performance at the cost of long term social goals The second theme incorporates Portugal into recent scholarship of other industrial democracies which has amassed an important body of evidence about growing political dissatisfaction and disengagement of citizens The editors have synthesized the important but fragmentary scholarship addressing Portugal s political malaise Portugal at the Polls is essential reading for any scholar interested in contemporary

Portuguese politics *On Parties, Party Systems and Democracy* Peter Mair, 2014-09-01 This collection brings together some of the most significant and influential work by leading comparativist Peter Mair 1951 2011 The selection ranges from considerations on the relevance of concept formation to the study of party systems and party organisations and from reflections on the democratic legitimacy of the European Union to the future of party democracy Including frequently cited papers alongside lesser known work the writings collected in this volume attest to the broad scope and depth of Mair's insights into comparative party politics and the changing realities of party government As such they form an important and enduring contribution to the study of politics and a fitting tribute to an inspirational and much missed figure in the global political science community Edited and introduced by Ingrid van Biezen with an intellectual portrait of Peter Mair by Stefano Bartolini and Hans Daalder

Political Parties and Euroscepticism L. Topaloff, 2012-07-06 An exploration of what drives party based Euroscepticism and why some parties are Eurosceptic This book looks at what makes mainstream opposition parties careful not to appear Eurosceptic and asks whether Euroscepticism is an aberration of politics an extreme populist ideology or just politics as usual

Presidents, Parties, and Prime Ministers David J. Samuels, Matthew S. Shugart, 2010-05-17 This book provides a framework for analyzing the impact of the separation of powers on party politics Conventional political science wisdom assumes that democracy is impossible without political parties because parties fulfil all the key functions of democratic governance They nominate candidates coordinate campaigns aggregate interests formulate and implement policy and manage government power When scholars first asserted the essential connection between parties and democracy most of the world's democracies were parliamentary Yet by the dawn of the twenty first century most democracies had directly elected presidents David J Samuels and Matthew S Shugart provide a theoretical framework for analyzing variation in the relationships among presidents parties and prime ministers across the world's democracies revealing the important ways that the separation of powers alters party organization and behavior thereby changing the nature of democratic representation and accountability

Political Parties in Africa Sebastian Elischer, 2013-09-09 This book examines the effects of ethnicity on party politics in sub Saharan Africa Sebastian Elischer analyzes political parties in Ghana Kenya and Namibia in detail and provides a preliminary analysis of parties in seven other countries including Tanzania Botswana Senegal Zambia Malawi Burkina Faso and Benin Elischer finds that five party types exist the mono ethnic the ethnic alliance the catch all the programmatic and the personalistic party He uses these party types to show that the African political landscape is considerably more diverse than conventionally assumed Whereas ethnic parties dominate in some countries non ethnic parties have become the norm in others This study also finds a correlation between a country's ethnic make up and the salience of political ethnicity countries with a core ethnic group are prone to form non ethnic parties In countries lacking a core ethnic group ethnic parties constitute the norm

Turkish Politics and the Rise of the AKP Arda Can Kumbaracibasi, 2009-09-10 The Justice and Development Party AKP has been in power since 2002 This book is the

first book length analysis to chart the rise and development of the party from its Islamist roots through to government analysing in particular its internal organisation and dynamics Since its foundation in 2001 the AKP seems to have been more successful than any other party with an Islamic background in the history of the Turkish Republic Drawing on interviews and analyses of quantitative data from primary and secondary sources the author examines the party's character as an organisation its internal power structure its electoral roots strategy and leadership in the context of its organisational environment including its constitution major veto players as well as international actors Going beyond a mere analysis of Turkish politics and parties this book applies classical theories and models on political parties to the Turkish case Focusing on the notion of institutionalisation and its two main dimensions autonomy and systemness it makes an original contribution to both the empirical study of the AKP contemporary Turkish Politics and the general discussion on theories of party organisation

Democratic Politics and Party Competition Judith Bara, Albert Weale, 2006-09-27 This new book introduces innovative research on democracy from the leading Comparative Manifestos Project CMP It details the key achievements of the project to date illustrates how its findings may be applied lays out the future challenges it faces and examines how the field as a whole can advance It also presents a special assessment of the dimensionality of party competition presenting ways in which research can be extended and related to broader approaches in Political Science and Theory Although CMP research is widely used and constitutes the major comparative data set on party positions and ideological location it is also subject to challenge The volume therefore provides the reader with a clear sense of the key debates and questions surrounding its work This volume also honours the life time achievement of Professor Ian Budge who has provided distinguished intellectual leadership for the CMP over the last twenty five years This is an essential point of reference for all comparative research on the functioning of democracies This book will be of great interest to all students and scholars of politics and of democracy in particular

Where Do the Parties Stand? Stella Gianfreda, 2021-07-29 This book analyses the politicization of immigration and the European Union in Italy the UK and the European Parliament EP from 2015 to 2020 The book uses the case studies of Italy the UK and the EP to study party positioning specifically towards immigration and the European Union to understand to what extent mainstream left mainstream right and populist parties adopt different framing strategies to compete on the new cultural dimension created by globalization The book draws on saliency theory issue ownership theory and yield theory to investigate the multidimensional nature of political competition and the relevance of institutional settings in determining party framing strategies Bridging two fields that typically do not interact party politics and migration studies this book fills gaps in the academic literature and as such will be appropriate for students and researchers interested in party politics European politics immigration politics populism and text analysis

Political Parties and Electoral Change Peter Mair, Wolfgang C Müller, Fritz Plasser, 2004-06-09 This book provides a comparative overview and account of how the parties in Western Europe have perceived contemporary challenges of

electoral dealignment and how they have responded whether organizationally programmatically or institutionally *Political Parties and Political Systems* Andrea Rómmele, Piero Ignazi, David M. Farrell, 2005-04-30 Since its release in 1980 Kay Lawson's *Political Parties and Linkage A Comparative Perspective* has become a classic text in the field of political science In her groundbreaking work Lawson approaches linkage from an angle left unexplored by her predecessors Her thinking filled in the systematic and theoretical void by envisioning political parties as the link between citizens and policy makers This collection of essays by leading political scientists reflects on Lawson's concept of linkage its theory and its application over the last quarter century The work is divided into two sections the first covers linkage's impact on party research and the second focuses on its application in general political science The first looks at such topics as the evolution and intellectual development of Lawson's concept through social actors policy responsiveness and multi layer politics The second handles issues like globalization the relation of state and society the European Union and its proposed constitutional reform and the cross cultural significance of linkage in such countries as India The book concludes with an illuminating chapter by Lawson that responds to the featured themes and explains her current views on linkage and democracy *Foundations of Comparative Politics* Kenneth Newton, Jan W. Van Deth, 2005-09 An authoritative new introductory text covering the key concepts theories and issues in comparative politics

Competition and Cooperation in Social and Political Sciences Isbandi Rukminto Adi, Rochman Achwan, 2017-12-01 The book contains essays on current issues in Social and Political Sciences such as the issues of governance and social order social development and community development global challenges and inequality civil society and social movement IT based community and social transformation poverty alleviation and corporate social responsibility and gender issues Asia and the Pacific are the particular regions that the conference focuses on as they have become new centers of social and political development Therefore this book covers areas that have been traditionally known as the social and political areas such as communication studies political studies governance studies criminology sociology social welfare anthropology and international relations

Party Realignment in Western Europe Hagevi, Magnus, Blombäck, Sofie, Demker, Marie, Hinnfors, Jonas, Loxbo, Karl, 2022-07-21 Identifying a crisis for representative democracy in Western European party systems this essential book studies the widening gap between political parties ideological economic Left Right rhetoric Combining in depth theoretical analysis with empirical research it addresses whether political party ideologies are converging or diverging and whether these changes are initiated by the parties themselves aligned with voter demand or forced by economic globalization

Handbook of Party Politics Richard S Katz, William J Crotty, 2006-01-05 This thoughtful and wide ranging review of parties and party research contains contributions from many of the foremost party scholars and is a must for all library shelves Richard Luther Keele University The study of political parties has never been livelier and this genuinely international Handbook theoretically rich comparatively informed and focused on important questions defines the field This volume is both an indispensable summary

of what we know and the starting point for future research R K Carty University of British Columbia Political parties are ubiquitous but their forms and functions vary greatly from regime to regime from continent to continent and from era to era The Handbook of Party Politics captures this variation and richness in impressive ways The editors have assembled an excellent team and the scope of the volume is vast and intriguing Kaare Strom University of California San Diego Political parties are indispensable to democracy and a central subject of research and study in political science around the world This major new handbook is the first to comprehensively map the state of the art in contemporary party politics scholarship The Handbook is designed to provide an invaluable survey of the major theories and approaches in this dynamic area of study and research give students and researchers a concise road map to the core literatures in all the sub fields of party related theorizing and research identify the theories approaches and topics that define the current cutting edge of the field The Handbook is comparative in overall approach but also addresses some topics to be addressed in nationally or regionally specific ways The resulting collaboration has brought together the world s leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today

Political Parties Old Concepts And New Challenges Comparative Politics Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has be evident than ever. They have the ability to inspire, provoke, and ignite change. Political Parties Old Concepts And New Challenges Comparative Politics Introduction

Political Parties Old Concepts And New Challenges Comparative Politics Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Parties Old Concepts And New Challenges Comparative Politics Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Parties Old Concepts And New Challenges Comparative Politics : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Parties Old Concepts And New Challenges Comparative Politics : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Parties Old Concepts And New Challenges Comparative Politics Offers a diverse range of free eBooks across various genres. Political Parties Old Concepts And New Challenges Comparative Politics Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Parties Old Concepts And New Challenges Comparative Politics Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Parties Old Concepts And New Challenges Comparative Politics, especially related to Political Parties Old Concepts And New Challenges Comparative Politics, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Parties Old Concepts And New Challenges Comparative Politics, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Parties Old Concepts And New Challenges Comparative Politics books or magazines might include. Look for these in online stores or libraries. Remember that while Political Parties Old Concepts And New Challenges Comparative Politics, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Parties Old Concepts And New Challenges Comparative Politics eBooks for free, including popular titles. Online

Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Parties Old Concepts And New Challenges Comparative Politics full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Parties Old Concepts And New Challenges Comparative Politics eBooks, including some popular titles.

FAQs About Political Parties Old Concepts And New Challenges Comparative Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Parties Old Concepts And New Challenges Comparative Politics is one of the best book in our library for free trial. We provide copy of Political Parties Old Concepts And New Challenges Comparative Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Parties Old Concepts And New Challenges Comparative Politics. Where to download Political Parties Old Concepts And New Challenges Comparative Politics online for free? Are you looking for Political Parties Old Concepts And New Challenges Comparative Politics PDF? This is definitely going to save you time and cash in something you should think about.
