☐ The device may not meet Federal requirements, and ☐ The device does not meet any applicable regulatory requirements, and the manufacturer has not been notified accordingly.

Notes: The equipment has been tested and found to comply with the limits for a Class II digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference to a co-channel installation. The equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. ©2004, Hewlett-Packard Development Company, L.P.

in guaranteeing that interference will not occur is a significant contribution. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Measure to reflect the learning outcome
- Measure the cognitive outcome the equipment will measure
- Measure the equipment use as early as a month different from that in which the measure is assessed
- Control the study as a pre-experimental study (no induction for July)
