novel aspects are discussed e g special m **The Lebanese Connection** Jonathan Marshall, 2012-05-16 Long before Mexico Colombia and Afghanistan became notorious for their contributions to the global drug traffic Lebanon was a special target of U S drug agents for harboring the world's greatest single transit port in the international traffic in narcotics In the words of one American official certain of the largest traffickers are so influential politically and certain highly placed officials so deeply involved in the narcotic traffic that one might well state that the Lebanese Government is in the narcotics business Using previously secret government records The Lebanese Connection uncovers for the first time the story of how Lebanon s economy and political system were corrupted by drug profits and how by financing its many ruthless militia Lebanon's drug trade contributed to the country's greatest catastrophe its fifteen year civil war from 1975 to 1990 In so doing this book sheds new light on the dangerous role of vast criminal enterprises in the collapse of states and the creation of war economies that thrive in the midst of civil conflicts Taking a regional approach to the drug issue Jonathan Marshall assesses the culpability of Syria Israel and of Palestinian factions and other groups that used Lebanon as their battleground On the international level he documents Lebanon's contribution to the hard drug problem of major consuming countries from the days of the French Connection through the Pizza Connection as well as Lebanon's unrivaled place in the global hashish A Frontier Made Lawless Joseph Lawson, 2017-08-28 In the nineteenth and early twentieth centuries the region of Liangshan in southwest China was plagued by violence Indigenous Nuosu communities clashed with Han migrants the Qing and Republican states and local warlords Large numbers of Nuosu and Han alike were kidnapped and killed in widespread patterns of captive taking The first English language history of Liangshan A Frontier Made Lawless challenges the view that the persistent turmoil was the result of population pressures opium production and the growth of local paramilitary groups Instead Joseph Lawson argues that the conflict resulted from the lack of a common framework for dealing with property disputes compounded by the repeated destabilization of the region by turmoil elsewhere in China Drawing on a range of sources including court records locals memoirs regional government records and surveys and Nuosu epic poetry Lawson adds new insights and comparative perspectives to the study of conflict in Liangshan OTS.
