Tango (Por Una Cabeza) Carlos Gardel, John Williams, 2008 John Williams Signature Edition Strings Arranged for Itzhak Perlman Performance on YouTube      **Popular World Music** Andrew Shahriari, 2015-10-16 Exploring Popular World Music

is the first introductory level text written to introduce students to popular music styles from around the world Focusing on styles that all students will know from Reggae to Klezmer from Afro Pop to Kodo drums the book offers a comprehensive listening oriented introduction to the world's popular musical cultures Each chapter will focus on a specific music style and its associated geographic locale The salient musical and cultural features associated with each example are discussed in detail to increase our appreciation of the music Relevant artists will be highlighted and suggestions for further reading and listening will be offered By the end of the book the student should be able to 1 recognize a variety of world music styles 2 articulate musical and cultural knowledge associated with each style and 3 identify important artists related to the genre Supplementing the text will be a web site created by the author featuring the author's world music map enabling students to explore pop music cultures as they relate to each other as well as an iTunes playlist for all the highlighted selections in the book This book should strongly appeal to Intro to World Music Courses for non majors who wish to study popular rather than traditional musics of the world which would encompass a large majority of students enrolled in these courses      *The Dark*

*Path* David Schickler, 2013-09-12 A young man struggles to reconcile God faith and sex as he stumbles toward finding himself in this brave and irreverent Details memoir Since childhood David Schickler has been torn between his intense desire to become a Catholic priest and his equally fervent desire for the company of women Things don't get any clearer for Schickler at college where he initiates serious conversations about becoming a Jesuit just as he enters a passionate relationship with a vivacious agnostic young woman Setting out on a journey to understand the balance between a life of faith and life in the real world Schickler comes to terms with this dichotomy and learns that the answers he seeks aren't clear cut no matter how long he treads the dark path Candid and funny lyrical and blunt *The Dark Path* is an evocative portrayal of one man's struggle with faith and women both of which he tries to love with bold bracing honesty      **Orchestral "Pops" Music** Lucy
