

100. Write a note on the following statement (as required in class) :-

“The major problem is that the world is full of people, thinking the good and bad things are the same thing. It is not. Good and bad are the same thing in terms of being good or bad.”

“However, the good things are not the same as the bad things. The good things are the things that are good in themselves. The bad things are the things that are bad in themselves. The good things are the things that are good in themselves. The bad things are the things that are bad in themselves.”
