Private Spud Tamson R. W. Campbell, 1915 **Beyond Scotland** , 2021-09-20 Scottish creative writing in the twentieth century was notable for its willingness to explore and absorb the literatures of other times and other nations From the engagement with Russian literature of Hugh MacDiarmid and Edwin Morgan through to the interplay with continental literary theory Scottish writers have proved active participants in a diverse international literary practice Scottish criticism has arguably often been slow in appreciating the full extent of this exchange Preoccupied with marking out its territory with identifying an independent and distinctive tradition Scottish criticism has occasionally blinded itself to the diversity and range of its writers In stressing the importance of cultural independence it has tended to overlook the many virtues of interdependence The essays in this book aim to offer a corrective view They celebrate the achievement of Scottish writing in the twentieth century by offering a wider basis for appreciation than a narrow idea of Scottishness Each essay explores an aspect of Scottish writing in an individual foreign perspective together they provide an enriching account of a national literary practice that has deep and often surprisingly complex roots in international culture

Royle, 2014-08-03 As in the rest of Britain the outbreak of hostilities in 1914 was met in Scotland with excitement and relief In the field of literature too the initial response was positive Kailyard fiction and the Celtic Twilight were left behind as artless verses patriotic articles and short stories flooded into print But as the war progressed things changed and a more complex picture emerged the patriotism and braggadocio was counterpointed by writers who saw the futility and horror of war In this book acclaimed military historian Trevor Royle introduces a huge range of literary material including poetry prose fiction non fiction letters and articles by Scottish writers The result is a fascinating picture which shows how war affected not only those who fought at the front but also those at home and how it led to profound changes not least in the forging of the Scottish literary Renaissance and the rise of nationalism Writers include John Buchan Lewis Grassie Gibbon Douglas Haig Ian Hay Harry Lauder Hugh MacDiarmid Naomi Mitchison Neil Munro John Reith Saki H H Munro **T.
