## **Private Messages The Facebook Trilogy 2:**

Digilect Ágnes Veszelszki, 2017-06-26 The high degree of internet penetration and its social and linguistic effects evidently influence how people and especially the highly susceptible younger generations use language The primary aim of the book is not only to identify the characteristic features of the digital language variety this has already been done by several works but to examine how digital communication affects the language of other mediums of communication orality handwritten texts digitally created but not digitally perceived that is printed texts including in particular advertisements which quickly respond to linguistic change Naturally the book presents the characteristics of the digital language variety and coins the term digilect but only to give a framework to the impact analysis It is important to document changes in progress and thus direct attention to potential outcomes The current linguistic change is different from previous ones primarily in its speed and form of spreading and it not only brings innovative grammatical forms and writing spelling solutions but may also have far reaching cultural and educational consequences in the long run **The Real World Reader** James S. Miller, 2015

From academic essays to blogs magazine articles to social media posts newspaper editorials to public service announcements and advertisements to emails The Real World Reader brings together a wide collection of formal writing with an equally diverse array of popular writing from everyday life This innovative rhetorical reader for first year composition courses divides the process of rhetorical analysis into logically sequenced steps that focus on five key concepts purpose audience argument voice and credibility Author James Miller encourages students to use this step by step process in order to identify analyze and master the multiple modes of writing that they will encounter at school work and home Features Uses a rhetorical framework to teach writing rather than examining different modes of writing in isolation and reveals what all forms of writing have in common Introduces rhetorical concepts through a variety of informal and formal writing examples showing students how rhetorical patterns intersect Combines step by step writing instruction with a scaffold of sixty seven diverse readings allowing students to critically write and read four distinct types of selections informal formal and academic selections and sample student essays Connects rhetorical analysis to cultural analysis with content that ranges from debates on multiculturalism to discussions of online privacy and from critiques of modern political campaigning to analyses of modern consumerism Focuses on familiar real world writing demonstrating the important role that writing plays in everyday life

**50 Ways to Leave Your 50'S** Scott Ludwig,2015-02-20 In my fourth book In it for the Long Run one of the most popular chapters with the readers was You can call me Al It was all about my good friend Al Barker the only person Ive ever met who brakes with his left foot Wanting to capitalize on the popularity of using titles of Paul Simon songs I reviewed his repertoire for an applicable title for this book Since the book is about my last year on earth before turning 60 years of age I initially considered Slip Slidin Away but thought that might project a negative connotation towards getting older Instead I chose one of Simons more popular songs and gave it my own slant as I wanted to do 50 things Id never done before in the 12 months leading up to becoming a sexagenarian dont get the wrong idea it just means a person between 60 and 69 years of age On my 60th birthday December 10 2014 someone asked me how I felt I said just like I did when I was 59 Heck it was only yesterday although my grandson calls it lasterday which if you really think about it makes a lot more sense As for the 50 things Id never done before dont expect anything outrageous jumping out of an airplane dangerous wrestling an alligator or spectacular making a dinosaur appear but if I could my grandson would be SO impressed Just 50 things pretty much anyone could do as long as they have the right attitude And by right attitude I mean sometimes you just have to say what the \_\_\_ Just because I turned 60 doesnt mean I reached maturity overnight After all maturity is for old people

*Friended at the Front* Lisa Ellen Silvestri, 2015-11-06 For most of us clicking like on social media has become fairly routine For a Marine clicking like from the battlefield lets his social network know he's alive This is the first time in the history of modern warfare that US troops have

direct instantaneous connection to civilian life back home Lisa Ellen Silvestri's *Friended at the Front* documents the revolutionary change in the way we communicate across fronts Social media Silvestri contends changes what it's like to be at war Based on in person interviews and online fieldwork with US Marines *Friended at the Front* explores the new media habits attitudes and behaviors of troops on the ground in Iraq and Afghanistan and some of the complications that emerge in their wake The book pays particular attention to the way US troops use Facebook and YouTube to narrate their experiences to civilian network members to each other and not least of all to themselves After she reviews evolving military guidelines for social media engagement Silvestri explores specific practices amongst active duty Marines such as posting photos and producing memes Her interviews observations and research reveal how social network sites present both an opportunity to connect with civilians back home as well as an obligation to do so one that can become controversial for troops in a war zone Much like the war on terror itself the boundaries expectations and dangers associated with social media are amorphous and under constant negotiation *Friended at the Front* explains how our communication landscape changes what it is like to go to war for individual service members their loved ones and for the American public at large
