

Blue Care Network high-tech radiology program procedure codes

The following list of codes indicates the high-tech radiology procedures for which providers must request prior authorization from BCN. Providers can expedite a request by submitting a prior authorization request through e-referral and completing the appropriate questionnaire. If all questions are answered, e-referral will determine the status of the case based on the provider's response. If the case pends and BCN cannot authorize it, BCN will contact the provider for additional clinical information.
