Version , **The Prodigal Son's Brother** Valerie J. Russell, 2016-05-01 The Parable of the Prodigal Son is one of the most read and preached parables of our Lord Jesus Christ This Parable focuses on The Father His House and His two Sons We know that the Father was a good man for the scripture declares a good man leaves and inheritance for his children s children Many who expound on this passage focus on The Son who prematurely took his inheritances wasted it on riotous living lost his substance and wound up in the Pig Pen Motel Perhaps this is why this parable is called the Parable of The Prodigal Son Others focus on the Father and his relentless love for his son The father who released the inheritance to his Son knowing that it was premature the father who let his son leave without confrontation the father who knew his son would return and actually ran out to meet him before he got back to the house and the father who threw an elaborate party for his rebellious but now repentant son However in this powerful presentation Pastor Valerie Russell focuses on The Prodigals Brother Her spirit led insights will captivate you and draw you closer into understanding the heart of God for all of His Children After reading this book you will understand that God really does not play favorites and there is no need for believers to be envious or jealous of one another You will learn that whose you are is more important than who you are and that who you are is more important than what you have Finally you will come away with the understanding that because you are in the Father s house everything he has is yours it always has been and it always will be The Return of the Prodigal Son Anniversary Edition Henri J.
