

Nurse Practitioner Personal Statement

As a child, I knew I wanted to enter the medical profession almost as soon as I was able to understand the concept of medicine. Although I originally wanted to be a doctor, my older brother's chronic illness made me realize that I wanted to work by a patient's bedside, providing care and comfort every day throughout the course of their diagnosis and treatment. My heart was set on being a nurse, and I attended college with the intention of starting on a pre-nursing track which would allow me to transition to a reputable Nursing School Program later on. However, due to the mounting medical bills and my brother's worsening illness, I had to drop out in my junior year in order to provide financial and emotional support for my family. However, I never lost hope in continuing my dream, and I hope that becoming a nurse practitioner is the next step towards fulfilling my career goals.

After working for five years as a waitress, I have learned things that I could never have understood as a student. I have learned to humble myself and to see things from the perspective of others, and I have grown to be an excellent multitasker that responds in a logical and quick fashion to stressful situations. I am not afraid of doing the hard and less glamorous work, and I hope that these skills will transition me into the role of a nurse practitioner, where I will be able to perform basic medical evaluations of patients and handle different samples of fluids for laboratory testing.

My ultimate goal is to use this experience to guide me towards nursing school, where I can earn my certificate to become a nurse. A position as a nurse practitioner will give me the hands-on experience and medical knowledge to reinforce my academic background in the field, and give me the ability to build on that foundation in my later studies. Although I am not a traditional student, I believe that the work ethic I have gained and my dedication towards fulfilling my goals will give me the opportunity to make the most out of this opportunity. I look forward to working with patients and families as a nurse practitioner, connecting physicians and patients in order to make a healthier community for everyone.
