

Brief Self-Introduction

Bonjour, Mesdames et Messieurs, my name is Yuting Lin. Although I will have a B.A. degree from the English Dept. of National Central University, I have always been fascinated by the French culinary arts and have taken actual steps toward my dream of becoming a chef. So far I have obtained three professional certificates in Chinese Cuisine, Bakery and Pastry; and starting last August, I've been doing an internship in the restaurant of Taipei Sheraton Hotel. My knowledge of the French language is also helping me study and learn more about French cuisine. I hope I will have the honor to join your staff and learn from the great masters of French cooking. Thank you.

Good morning, thank you for giving me this opportunity. My name is Betty Chen. I will be graduating from National Central University with a Bachelor's degree in English in June, but I am extremely interested in foreign affairs, so I have taken several courses related to International Relations which you will find listed on my resume. I had two years of experience working as office receptionist in the English department, which not only strengthened my capability in emergency response but also heightened my ability in dealing with all kinds of people. My leadership position in our university's promotion camp also sharpened my people skills. As an independent, resourceful and responsible person, I welcome any challenging work in the Ministry of Foreign Affairs and hope that I could join your ranks and provide my service. Thank you.

Good morning. My name is Peggy Pan and I'm a fresh graduate from the English department of National Central University. I'm applying for this position because I think I have the qualities you are looking for. First, I am a friendly and outgoing person. I like being around people and can easily find a good topic to strike up a conversation. Second, I am a thoughtful person. I always pay attention to details and can perceive people's needs before they ask for help. Last but not least, I value punctuality. For me, being on time means being polite. So I always arrive early no matter if it's an appointment or a date and I always plan my days and make sure I get the most important things done early. I hope I have the honor to serve your customers. Thank you.
