 These attributes are reflected in the astounding story of one of the founders of the denomination H F Reynolds who has been  
 long hidden in the shadow of his early colleague Phineas Bresee While the church points to Bresee as its founding father  
 Reynolds lived and served for an additional two decades following Bresee's death shaping the role of the General

 establishing mission policies and practices that took it from a US church to a global presence Reynolds maintained a lively

 ruthlessness and adaptability were crucial ingredients for success In this engaging volume Randolph C Head traces the  
 career of an extraordinarily adaptable and ruthless figure George Jenatsch 1596-1639 Born a Protestant pastor's son  
 Jenatsch's career took him from the clergy to the military to the nobility A passionate Calvinist in his youth he converted to  
 Catholicism and prudence as his power grew A native speaker of the Romansh language he crossed the boundaries of  
 language and local loyalty in his service to France Venice and his own people Violence marked every turning point of his life  
 After fleeing the Holy Massacre of Protestants in the Valtellina in 1620 Jenatsch helped assassinate the powerful Pompeius  
 von Planta in 1621 using an axe He killed his commanding officer in a duel in 1629 and his own life ended in a tavern in 1639  
 when he was murdered with an axe by a man dressed as a bear After his death myth took over Rumors spread that Jenatsch  
 was killed by the same axe that he had wielded on von Planta and from there the story only got better culminating in Conrad  
 Ferdinand Meyer's celebrated 1876 novel Jurg Jenatsch This study meticulously traces the social boundaries that  
 characterized seventeenth century Europe region religion social state and kinship by analyzing a distinctive life that crossed
