truth Flying in the face of everything he had ever been taught Jake unearths indisputable evidence that there was not just one Adam There were two There was a Second Adam How can he explain that to the religious leaders The religious leaders want results from their detective They are squeezing him hard to deliver the incriminating facts they salivate for How can Jake reveal all the disturbing facts he has uncovered to the vengeful religious leaders He s discovered only good and marvelous evidence about the rebel And now the undeniable truth that there actually was a Second Adam What dire consequences will come crashing down upon Jake when he unloads his final report upon the religious leaders Only a shocking unimaginable conclusion can answer that fearsome question
