Fundamental Rights and Legal Consequences of Criminal Conviction Sonja Meijer, Harry Annison, Ailbhe O'Loughlin, 2019-06-27 The legal position of convicted offenders is complex as are the social consequences that can result from a criminal conviction After they have served their sentences custodial or not convicted offenders often continue to be subject to numerous restrictions in many cases indefinitely due to their criminal conviction In short criminal convictions can have adverse legal consequences that may affect convicted offenders in several aspects of their lives In turn these legal consequences can have broader social consequences Legal consequences are often not formally part of the criminal law but are regulated by different areas of law such as administrative law constitutional law labour law civil law and immigration law For this reason they are often obscured from judges as well as from defendants and their legal representatives in the courtroom The breadth severity and longevity and often hidden nature of these restrictions raises the question of whether offenders fundamental rights are sufficiently protected This book explores the nature and extent of the legal consequences of criminal convictions in Europe Australia and the USA It addresses the following questions What legal consequences can a criminal conviction have How do these consequences affect convicted offenders And how can and should these consequences be limited by law *Recueil Le Dalloz* ,2006 **IBSS: Political Science: 2002 Vol.51** Compiled by the British Library of Political and Economic Science, 2004-03-01 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world's most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2002 volumes of the the IBSS Anthropology 2002 Vol 48 December 2002 234x156 0 415 32634 6 u195 00 Economics 2002 Vol 51 December 2002 234x156 0 415 32635 4 u195 0 0 Political Science 2002 Vol 51 December 2002 234x156 0 415 32636 2 u195 00 Sociology 2002 Vol 52 December 2002 234x156 0 415 32637 0 u195 00 **International Bibliography of Political Science** British Library of Political and Economic Science, 2003-10-23 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Recueil Dalloz** ,1999 Procédure pénale Martine Herzog-Evans, Gildas Roussel, 2013-12-09 Matière vivante et technique mue par la recherche constante d'un équilibre entre protection de l'ordre public et sauvegarde des droits et libertés
