The SAGE Handbook of Criminological Theory Eugene McLaughlin,Tim Newburn,2010-07-21 An indispensable international resource The SAGE Handbook of Criminological Theory provides readers with a clear overview of criminological theory enabling them to reflect critically upon the traditional emergent and desirable theoretical positions of the discipline This handbook is essential for libraries and scholars of all levels studying the rapidly developing interdisciplinary field of criminology

Crimes of States and Powerful Elites Claudia Radiven,Simon Prideaux,2021-07-06 This book explores fourteen case studies of state crime crimes immoralities of the powerful including disasters caused by neglect pharmaceutical fraud state sponsored or instigated crime corporate crime organisational crime and state terrorism The book offers a valuable contribution to critical social science perspectives on criminality providing analysis which explores issues of accountability and social harm and linking these to wider structural contexts particularly the role of neoliberal ideologies At the same time the book will provide a critical perspective on historical case studies which continue to have

legacies in the present and which help to shed light on histories of domination and inequalities and to illustrate continuities and changes in crimes of the powerful over time

**The Criminological Foundations of Penal Policy** Lucia Zedner, Andrew Ashworth, 2003 The Criminological Foundations of Penal Policy brings together leading international criminologists to examine the link between the fruits of criminological research and the development of criminal justice policy This volume includes comparative discussions of the United States Germany Australia England and Wales It is divided into four parts Part 1 discusses the theoretical issues surrounding the relationship between public policy and the discipline of criminology Part 2 consists of three essays exploring historical aspects of that relationship Part 3 then examines three distinct areas of penal policy sentencing policing and parole as case studies of the influence of research upon the development of policy Finally in Part 4 which is explicitly devoted to international comparisons there is a consideration of the factors that distinguish research projects that do influence criminal justice policy from those that appear not to The Criminological Foundations of Penal Policy is a volume in honour of Roger Hood Professor of Criminology and Director of the Centre for Criminological Research in the University of Oxford Catalogue University of the Philippines, 1923

**Crime and Inequality** John Hagan, 1995 These essays examine how and why inequality affects the patterning of crime and criminal justice They evaluate the merits of various theoretical ideas debates and controversies regarding crime and inequality document the dynamics of inequality in varied crime settings examine methodologies used in exploring the crime inequality relationship and set forth new research and policy agendas for future work *Handbook on Crime* Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02-01 The Handbook on Crime is a comprehensive edited volume that contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses to them It also challenges many popular and official conceptions of crime This book is one of the few criminological texts that takes as its starting point a range of specific types of criminal activity It addresses not only conventional offences such as shoplifting burglary robbery and vehicle crime but many other forms of criminal behaviour often an amalgamation of different legal offences which attract contemporary media public and policy concern These include crimes committed not only by individuals but by organised criminal groups corporations and governments There are chapters on for example gang violence hate crime elder abuse animal abuse cyber crime identity theft money laundering eco crimes drug trafficking human trafficking genocide and global terrorism Many of these topics receive surprisingly little attention in the criminological literature The Handbook on Crime will be a unique text of lasting value to students researchers academics practitioners policy makers journalists and all others involved in understanding and preventing criminal behaviour
