Disciplining the Jock (First Time Gay Student/Teacher Discipline and Humiliation Erotica) S M Partlowe, 2015-04-16 Reader Advisory This story is for mature audiences only and features intensely erotic situations taboo teacher student relations bdsm play discipline spanking humiliation submissiveness and dominance All characters are 18 or older Peter Stanton has always found ways of using his good looks and athletic talents to get ahead and when he arrives in college it doesn't look like that's going to have to change But his easy ride runs out when his professor Alex Whitner notices him flirting with a female classmate only to copy her course work The handsome professor decides it's time to teach Peter a little personal responsibility and maybe show the testosterone charged young man just what someone who actually knows how to handle him looks like

Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Jessie I really don't understand why that's so necessary How do you know I don't like her I shrug my shoulders That's the sort of thing I get to decide for myself isn't it I'm not just a child you get to push around like that I wince slightly as I hear the last words come out of my mouth That may have been taking it too far but it was where the conversation was headed anyways That's a very interesting perspective Peter he says in a neutral voice But surely if you cared about her you wouldn't be manipulating her into giving you her work when she clearly didn't want to I roll my eyes in dismissal Professor I say is it really that simple Sometimes you need something from someone that's all It doesn't hurt her any if she helps me out just like it doesn't hurt you any if you forget this whole thing ever happened I put a little emphasis on the if I'm not obvious I think but I do it just enough that he'll interpret the sentence the way I mean it He sits back and considers me for a long moment taking me in all of me I find myself suddenly a little bit self-conscious but try to shake the momentary weakness out of my head

What are you doing Peter he asks Why do you think it's appropriate to act this way I try to meet his gaze but I'm finding it increasingly difficult Like what Professor You always trying to push people around to get what you want Do you think I'm some kid who'll go weak kneed if you flex your muscles What are you talking about Professor I ask as innocently as I can mentally backpedaling as my heart begins to hammer He seems angry It's suddenly obvious to both of us that I don't have the courage to go through with my implied threat What am I talking about He asks incredulously No enough I've wasted too much time trying to teach you like an adult and give you the benefit of the doubt I can see now that I was wrong from the beginning He stands up angry and strong and an inch or two taller than me as he looks down at me He grabs me by my arm

and pulls me to face him Look at yourself he says Do you think this is an acceptable way to behave How far in life do you think this sort of stunt will take you I look up at him unable to speak There isn't anything to say But there's something about the way he's looking at me almost like he knows he's supposed to be angry but he's responding in a different way instead almost like he's noticing me the way I noticed him along the pathway this morning I draw in a faltering breath Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Caught By My Professor with full consent of the original author [Caught By My Professor \(Student/Teacher First Time Taboo Erotica\)](#) Jessica Whitethread, 2014-10-03 Reader Advisory This story is for mature audiences only and features intensely erotic situations between an older man and a young woman taboo teacher student relations discipline spanking humiliation deflowering submissiveness and dominance All characters are 18 or older Rachel Stanton has always found ways of using her good looks to get ahead and when she arrives in college it doesn't look like that's going to have to change But her easy ride runs out when her professor Alex Cossaign notices her flirting with a classmate only to copy his course work The handsome professor decides it's time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Brad I really don't understand why that's so necessary How do you know I don't like him I find myself blushing deeper crimson I mean he's not the single most handsome man I can think of I say but a girl's gotta take what she can get right Sometimes I just get lonely don't you I wince slightly as I hear the last words come out of my mouth That may have been taking it too far That's a very interesting perspective Rachel he says in a neutral voice But surely if you cared about him you wouldn't be manipulating him into giving you his work when he clearly didn't want to I let out an exaggerated sigh But Professor I say is it really that simple Sometimes you need something from someone and you're in a position to offer a sort of trade right A little affection to help get someone off the hook I've definitely warmed to my audience This all has to be having an effect He sits back and considers me for a long moment taking me in all of me The blush in my cheeks deepens still further as I find myself suddenly a little bit self-conscious What are you doing Rachel he asks Why do you think it's appropriate to act this way Or dress this way He makes a vague gesture I draw back slightly This isn't the reaction I expected Like what Professor You playing the slut to get what you want Do you think I'm some kid who'll go weak kneed if you smile at me with your's hanging out What are you talking about Professor I ask as innocently as I can my heart beginning to hammer He seems angry It occurs to me I could get in legitimate trouble for this What am I talking about he asks I'm talking about this He grabs the loose flap of cloth of my partially open blouse and shakes me by it inadvertently pulling apart the other buttons in the process The garment falls open If it weren't obvious enough already that I'm not wearing a bra it's pretty f'ing obvious now I look down and then back up at him in shock forgetting to cover myself He draws in a sharp breath as my sudden nakedness catches us both by surprise *Seducing Her*

dominance All characters are 18 or older Jackson doesn't know why he started the rumor about Professor Vicarro his young and handsome politics professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Mr Iverson himself and when Jackson is called down to the office on a Friday afternoon he finds out the dean's heard a lot more Once past the initial mortification he can admit he's probably earned the spanking he'll get but did Mr Iverson really have to tell Professor Vicarro about the whole thing too Surely he'll find his own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Vicarro my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel him considering me Won't you say something Professor I finally blurted I'm trying to understand you Jackson What's to understand I shouldn't have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I'm just so incredibly embarrassed professor He blinked in surprise Then he started to laugh Is that what it was he said I thought I saw something in the way you looked at me and it made the lie all the harder to understand He closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I'm sorry He loosened his necktie and ran a frustrated hand through his dark hair Even though it was wildly inappropriate given the situation I couldn't help but find him even more alluring when angry than when he was calm and collected He seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that he had probably been the type to get into a lot of trouble when he was younger He turned back to look at me and caught me staring His eyes locked to mine freezing me in place and I watched a faintly appraising look come into his face Well what are we going to do about this he asked The question sounded rhetorical so I watched him without answering Tell me he said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread's *Naughty Rumors* with full consent of the original author
